In Volume 1, Foucault criticizes the "repressive hypothesis", the idea that western society suppressed sexuality from the 17th to the mid-20th century due to the rise of capitalism and bourgeois society. Foucault argues that discourse on sexuality in fact proliferated during this period, during which experts began to examine sexuality in a scientific manner, encouraging people to confess their sexual feelings and actions. According to Foucault, in the 18th and 19th centuries society took an incr
