Sexuality is about your sexual feelings, thoughts, attractions and behaviours towards other people. You can find other people physically, sexually or emotionally attractive, and all those things are a part of your sexuality. Sexuality is diverse and personal, and it is an important part of who you are.

Sexuality explained - Better Health Channel

This timely work underpins parents in their role as first educators of their children, drawing on the latest knowledge of the human body to show how mind, heart and body interplay in our sexual makeup, and how the life-giving and love-making aspects of the sexual act are each designed for permanence. The Guide works at many levels.

Sexuality Explained: a Guide for Parents and Children

Sexuality is often used to describe sexual and romantic attraction. But these aren't always the same: Sexual attraction is how physically attracted to someone you are, and includes whether you would like to have sex with them. Romantic attraction is how much you're emotionally attracted to someone.

Sexuality | Childline

Sexuality covers a broad spectrum, and is also deeply personal. It's about understanding the sexual feelings and attractions we feel towards others, not who we happen to have sex with. There are different types of sexuality, and it can take time to figure out what fits right with you. If someone is giving you a hard time about your sexuality, find out what to do and who you can talk to.
