The Wolf of Wall Street *Bantam*

NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Martin Scorsese and starring Leonardo DiCaprio By day he made thousands of dollars a minute. By night he spent it as fast as he could. From the binge that sank a 170-foot motor yacht and ran up a \$700,000 hotel tab, to the wife and kids waiting at home and the fast-talking, hard-partying young stockbrokers who called him king, here, in Jordan Belfort’s own words, is the story of the ill-fated genius they called the Wolf of Wall Street. In the 1990s, Belfort became one of the most infamous kingpins in American finance: a brilliant, conniving stock-chopper who led his merry mob on a wild ride out of Wall Street and into a massive office on Long Island. It’s an extraordinary story of greed, power, and excess that no one could invent: the tale of an ordinary guy who went from hustling Italian ices to making hundreds of millions—until it all came crashing down. Praise for *The Wolf of Wall Street* “Raw and frequently hilarious.”—The New York Times “A rollicking tale of [Jordan Belfort’s] rise to riches as head of the infamous boiler room Stratton Oakmont . . . proof that there are indeed second acts in American lives.”—Forbes “A cross between Tom Wolfe’s *The Bonfire of the Vanities* and Scorsese’s *GoodFellas* . . . Belfort has the Midas touch.”—The Sunday Times (London) “Entertaining as pulp fiction, real as a federal indictment . . . a hell of a read.”—Kirkus Reviews

Never Cry Wolf is one of the brilliant narratives on the myth and magic of wild wolves and man's true place among the creatures of nature. Way of the Wolf

Doctor David Lephmann had a great life. A new post at the prestigious Saint Bartholomew's Hospital, a beautiful fiance whose father happened to be famous in medical circles, money wasn't an issue, and advancement in his chosen field seemed assured... until he meets his new boss. The bigoted Doctor Hoberman has strong views where werewolves and shifters are concerned, and he isn't shy about spreading his dangerous and irresponsible ideas to anyone willing to listen. David is disgusted to learn that his boss is a closet member of the fanatical and outlawed Anti Monster League, and finds himself ostracized by Hoberman's clique. Before he knows what's happening, he is forced to take a stand to get away from Hoberman and his lackeys, and accepts a position at Mercy Hospital, where LA's non-human welfare cases find succor. His new mentor is desperate for the help, and welcomes him to the paranormal world of non-human customs, elf healing rituals, and strange magics. One night after a long day at the hospital, David is confronted by the realities of his new life, when he intervenes in a fight he knows nothing about. Two women are fighting for their lives in the street, and before he can really think about it, he foolishly chooses sides and wades into the battle. One moment he's restraining a remarkably strong

and lithe woman, the next he's struggling to escape a huge wolf! The shapeshifter savages him, and shatters his new life. Sorely wounded and infected with lycanthropy, he's thrust into a world of violence and mistrust where the only thing that matters is strength. Hoping to find the shifter who destroyed his life, he tracks down her enemy and allies himself with her and Steven Edmonton, a powerful master vampire in need of help himself. A shadow war is brewing in the city, and forces are maneuvering for advantage. Steven is building an army of shifters to protect his interests, and welcomes David into the fold, but challenge and counter is the way of the wolf, and the others won't accept his dominance until he proves his strength. He certainly hadn't been looking for werewolf romance while fighting for his life, but there's something very intriguing about a certain shifter woman, and fighting isn't on his mind whenever he sees her beguiling eyes and snarling lips. With no way back to his old life, he must fight for a place in this new one, but he's never had to fight for anything in his life. Can he survive the challenge?

Calling a Wolf a Wolf *Alice James Books*

"The struggle from late youth on, with and without God, agony, narcotics and love is a torment rarely recorded with such sustained eloquence and passion as you will find in this collection." --Fanny Howe This highly-anticipated debut boldly confronts addiction and courses the strenuous path of recovery, beginning in the wilds of the mind. Poems confront craving, control, the constant battle of alcoholism and sobriety, and the questioning of the self and its instincts within the context of this never-ending fight. From "Stop Me If You've Heard This One Before" Sometimes you just have to leave whatever's real to you, you have to clomp through fields and kick the caps off all the toadstools. Sometimes you have to march all the way to Galilee or the literal foot of God himself before you realize you've already passed the place where you were supposed to die. I can no longer remember the being afraid, only that it came to an end. Kaveh Akbar is the founding editor of Divedapper. His poems appear recently or soon in The New Yorker, Poetry, APR, Tin House, Ploughshares, PBS NewsHour, and elsewhere. The recipient of a 2016 Ruth Lilly and Dorothy Sargent Rosenberg Fellowship from the Poetry Foundation and the Lucille Medwick Memorial Award from the Poetry Society of America, Akbar was born in Tehran, Iran, and currently lives and teaches in Florida.

I Hold a Wolf by the Ears

Stories *Farrar, Straus and Giroux*

ONE OF TIME'S 10 BEST FICTION BOOKS OF 2020. Longlisted for the Joyce Carol Oates Prize. Named a Best Book of 2020 by NPR, Bustle, Good Housekeeping, the New York Public Library, Library Journal, Lit Hub, Electric Literature, and Tor.com "As enchanting as fairy tales, as mysterious as dreams, these exquisitely composed fictions are as urgent and original as any being written today." —Sigrid Nunez, author of *The Friend*, winner of the 2018 National Book Award for Fiction An urgent and unsettling collection of women on the verge from Laura van den Berg, author of *The Third Hotel* *I Hold a Wolf by the Ears*, Laura van den Berg’s first story collection since her prizewinning book *The Isle of Youth*, draws readers into a world of wholly original, sideways ghost stories that linger in the mouth and the mind. Both timeless and urgent, these eleven stories confront misogyny, violence, and the impossible economics of America with van den Berg’s trademark spiky humor and surreal eye. Moving from the peculiarities of Florida to liminal spaces of travel in Mexico City, Sicily, and Iceland, *I Hold a Wolf by the Ears* is uncannily attuned to our current moment, and to the fears we reveal to no one but ourselves. In “Lizards,” a man mutes his wife’s anxieties by giving her a LaCroix-like seltzer laced with sedatives. In the title story, a woman poses as her more successful sister during a botched Italian holiday, a choice that brings about strange and destructive consequences, while in “Karolina,” a woman discovers her prickly ex-sister-in-law in the aftermath of an earthquake and is forced to face the truth about her violent brother. *I Hold a Wolf by the Ears* presents a collection of women on the verge, trying to grasp what’s left of life: grieving, divorced, and hyperaware, searching, vulnerable, and unhinged, they exist in a world that deviates from our own only when you look too closely. With remarkable control and transcendent talent, van den Berg dissolves, in the words of the narrator of “Slumberland,” “that border between magic and

annihilation,” and further establishes herself as a defining fiction writer of our time.

As well as his addiction to drugs, he had a thirst for power and an irrepressible sexual desire he felt compelled to indulge despite his love for his wife. Nevertheless, after a series of ill-fated episodes, he came to realize that family mattered most. The Wolf of Wall Street would have no choice but to settle down if he was to survive.
