Anyway, besides the name this looks like a pretty damn nifty product from Kymco/Bug, an obviously retro design based on classics of the '50's and '60's. Judging by the photos they have done a good job. The Like comes in

125cc and 50cc varieties both are 4-stroke 2 valve units.

The Kymco Like 125 is my first scooter. It's great for city and suburban transport. Plenty of storage space, except the under-seat compartment will not fit a full face helmet... an open face helmet

will fit OK. The included top box takes even the largest full face helmet.
