70% Off fluidmarket.com Coupons & Promo Codes, November 2020

When I first started making websites at the end of the 1990s, layout structures were table-based. More often than not, sectioning up screen real estate was done with percentages. For example, a left navigation column might be 20 percent whilst the main content area would be 80 percent. There weren't the vast differences in browser viewports we

see today, so these layouts scaled well across the ...
