CASE CLOSED GERALD POSNER SUMMARY COLLECTION: UNLOCK THE ESSENCE IN BITE-SIZED CHUNKS

Welcome to our fascinating publication recap collection. We are delighted to introduce you to the world of Case Closed Gerald Posner summaries and exactly how they can improve your analysis experience. As avid viewers ourselves, we comprehend the worth of

diving into the heart of every tale and uncovering its significance in bite-sized pieces.

Case Closed Gerald Posner publication summary collection provides just that - a concise and interesting summary of the bottom lines and styles of a publication. In today's fast-paced world, we understand that time is precious, and our summaries are made to conserve you time by supplying a fast introduction of Case Closed Gerald Posner's material and insights.

Our group of professional writers

carefully curates our book summary of Case Closed Gerald Posner collection to make sure that we provide you with high-quality recaps that catch the significance of each publication. Whether you are looking to explore brand-new genres, uncover new writers, or simply acquire deeper understandings right into your favorite books, our collection has something for every person.

Join us today and unlock the globe of Case Closed Gerald Posner recaps. Discover the advantages of condensing complicated concepts right into straightforward and easy-to-understand language. Our publication summaries are a great way to increase your understanding and expand your perspectives without having to spend hours of your time.

Remain tuned as we explore the principle of Case Closed Gerald Posner, discuss their benefits, and offer ideas on how to write efficient recaps. With our assistance, you'll locate the appropriate publication for your rate of interests and unlock a globe of knowledge.

CHECKING OUT PUBLICATION SUMMARIES OF CASE CLOSED GERALD POSNER

At our book summary collection, we strongly rely on the power of exploring Case Closed Gerald Posner. Not only can this open brand-new knowledge and insights, but it can likewise conserve visitors time and assist them choose which publications to spend their time in. Allow's dive into the idea of Case Closed Gerald Posner summaries and their

advantages.

What are book summaries?

Book summaries are compressed versions of a book's key points and themes. They give a quick introduction of Case Closed Gerald Posner's essence in bite-sized pieces. They can range from a few paragraphs to a couple of pages.

Why are they valuable?

Case Closed Gerald Posner summaries are beneficial since they allow readers to

get a deeper understanding of a publication's key points and styles without having to check out the full publication. They are particularly valuable for active people that wish to stay enlightened however might not have the moment to read a whole book of Case Closed Gerald Posner.

How can they benefit Case Closed Gerald Posner readers?

Book recaps can profit viewers by saving time, offering a convenient introduction

GERALD POSNER BOOK and Posner's significance, and helping viewers determine which publications are worth investing more time in. They allow visitors to swiftly and easily gain insights and understanding without having to devote to reading the complete book of Case Closed Gerald Posner.

- Saves time
- Provides a quick summary
- Helps Case Closed Gerald Posner visitors decide which publications to invest more time in

Stay tuned for our next area where we will dive deeper into the advantages of Case Closed Gerald Posner.

ADVANTAGES OF CASE CLOSED

SUMMARIES

At our book summary collection, our company believe in the various benefits of checking out Case Closed Gerald Posner summaries. Here are a couple of key advantages:

- **Time-saving:** With our active routines, it can be testing to discover time to check out every book we desire. Our publication summaries use a fast overview of one of the most important points without requiring to invest a number of hours in reviewing Case Closed Gerald Posner entire publication.
- **Quick overview of Case Closed Gerald Posner:** If there is a

HOW TO COMPOSE A

publication, you want, yet you're not exactly sure if it's right for you, our publication summaries supply a look right into the writer's main ideas and creating design before acquiring the full book.

- **Improved understanding in Case Closed Gerald Posner:** For those that have reviewed the entire book, our book recaps supply a possibility to refresh your memory and find the bottom lines and motifs.

In general, book recaps of Case Closed Gerald Posner offer a valuable device to boost your reading experience and optimize your effort and time.

PUBLICATION SUMMARY OF CASE CLOSED GERALD POSNER

Writing a publication recap might feel like a daunting task, however it can really be a fun and satisfying experience. Below are some key elements to keep in mind when creating your publication recap:

For viewers that choose a much more individualized touch, curated collections

are an excellent choice. These collections are frequently created by sector specialists or enthusiasts and give a checklist of must-read summaries for different styles. You can locate them on blogs, podcasts, and also social media teams.

With these tips, you can locate the appropriate Case Closed Gerald Posner book summaries for your rate of interests and preferences. Happy analysis!

Case Closed

Lee Harvey Oswald and the Assassination of JFK *Open Road Media*
Pulitzer Prize Finalist: “By far the most lucid and compelling account . . . of what

probably did happen in Dallas—and what almost certainly did not.” —The New York Times Book Review The Kennedy assassination has reverberated for five decades, with tales of secret plots, multiple killers, and government cabals often overshadowing the event itself. As Gerald Posner writes, “Fifty years after the assassination, the biggest casualty has been the truth.” In this first-ever digital edition of his classic work, updated with a special comment for the fiftieth anniversary, Posner lays to rest all of the convoluted conspiracy theories—concerning the mafia, a second shooter, and the CIA—that have obscured over the decades what really happened in Dealey Plaza on November 22, 1963. Drawing from official sources and dozens of interviews, and filled with

powerful historical detail, *Case Closed* is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F. Kennedy.

Case Closed

Lee Harvey Oswald and the Assassination of JFK *Anchor*

Provides new evidence from computerized film enhancements and other sources, including an explanation of Kennedy's assassination renouncing conspiracy theories.

Killing the Dream

James Earl Ray and the Assassination of Martin Luther King,

Jr. *Open Road Media*

A deep dive into James Earl Ray's role in the national tragedy: "Superb . . . a model of investigation . . . as gripping as a first-class detective story" (The New York Times). On April 4, 1968, Martin Luther King Jr. was killed in Memphis, Tennessee, by a single assassin's bullet. A career criminal named James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony from where King was cut down. An international manhunt ended two months later with Ray's capture. Though Ray initially pled guilty, he quickly recanted and for the rest of his life insisted he was an unwitting pawn in a grand conspiracy. In *Killing the Dream*, expert investigative reporter Gerald Posner reexamines Ray and the

evidence, even tracking down the mystery man Ray claimed was the conspiracy's mastermind. Beginning with an authoritative biography of Ray's life, and continuing with a gripping account of the assassination and its aftermath, Posner cuts through phony witnesses, false claims, and a web of misinformation surrounding that tragic spring day in 1968. He puts Ray's conspiracy theory to rest and ultimately manages to disclose what really happened the day King was murdered.

Pharma

Greed, Lies, and the Poisoning of America *Simon and Schuster*

Award-winning journalist and New York Times bestselling author Gerald Posner

reveals the heroes and villains of the trillion-dollar-a-year pharmaceutical industry and delivers "a withering and encyclopedic indictment of a drug industry that often seems to prioritize profits over patients (The New York Times Book Review). Pharmaceutical breakthroughs such as antibiotics and vaccines rank among some of the greatest advancements in human history. Yet exorbitant prices for life-saving drugs, safety recalls affecting tens of millions of Americans, and soaring rates of addiction and overdose on prescription opioids have caused many to lose faith in drug companies. Now, Americans are demanding a national reckoning with a monolithic industry. "Gerald's dogged reporting, sets Pharma apart from all books on this

subject” (The Washington Standard) as we are introduced to brilliant scientists, incorruptible government regulators, and brave whistleblowers facing off against company executives often blinded by greed. A business that profits from treating ills can create far deadlier problems than it cures. Addictive products are part of the industry’s DNA, from the days when corner drugstores sold morphine, heroin, and cocaine, to the past two decades of dangerously overprescribed opioids. Pharma also uncovers the real story of the Sacklers, the family that became one of America’s wealthiest from the success of OxyContin, their blockbuster narcotic painkiller at the center of the opioid crisis. Relying on thousands of pages of government and corporate archives,

dozens of hours of interviews with insiders, and previously classified FBI files, Posner exposes the secrets of the Sacklers’ rise to power—revelations that have long been buried under a byzantine web of interlocking companies with ever-changing names and hidden owners. The unexpected twists and turns of the Sackler family saga are told against the startling chronicle of a powerful industry that sits at the intersection of public health and profits. “Explosively, even addictively, readable” (Booklist, starred review), Pharma reveals how and why American drug companies have put earnings ahead of patients.

Reclaiming History: The Assassination of President John F. Kennedy *W. W. Norton & Company*

An all-encompassing analysis of the assassination of JFK and its surrounding conspiracy theories draws on forensic evidence, key witness testimonies, and other sources to explain what really happened and why conspiracy theories have become so popularized.

God's Bankers

A History of Money and Power at the Vatican *Simon and Schuster*

A deeply reported, New York Times bestselling exposé of the money and the clerics-turned-financiers at the heart of the Vatican—the world’s biggest, most powerful religious institution—from an acclaimed journalist with “exhaustive research techniques” (The New York Times). From a master chronicler of legal

and financial misconduct, a magnificent investigation nine years in the making, *God’s Bankers* traces the political intrigue of the Catholic Church in “a meticulous work that cracks wide open the Vatican’s legendary, enabling secrecy” (Kirkus Reviews). Decidedly not about faith, belief in God, or religious doctrine, this book is about the church’s accumulation of wealth and its byzantine financial entanglements across the world. Told through 200 years of prelates, bishops, cardinals, and the Popes who oversee it all, Gerald Posner uncovers an eyebrow-raising account of money and power in one of the world’s most influential organizations. *God’s Bankers* has it all: a revelatory and astounding saga marked by poisoned business titans, murdered prosecutors,

and mysterious deaths written off as suicides; a carnival of characters from Popes and cardinals, financiers and mobsters, kings and prime ministers; and a set of moral and political circumstances that clarify not only the church's aims and ambitions, but reflect the larger tensions of more recent history. And Posner even looks to the future to surmise if Pope Francis can succeed where all his predecessors failed: to overcome the resistance to change in the Vatican's Machiavellian inner court and to rein in the excesses of its seemingly uncontrollable financial quagmire. "As exciting as a mystery thriller" (Providence Journal), this book reveals with extraordinary precision how the Vatican has evolved from a foundation of faith to a corporation of

extreme wealth and power.

Miami Babylon

Crime, Wealth, and Power--A Dispatch from the Beach *Simon & Schuster*

Here, in all its neon-colored, cocaine-fueled glory, is the never-before-told story of the making of Miami Beach. Gerald Posner, author of the groundbreaking investigations *Case Closed* and *Why America Slept*, has uncovered the hair-raising political-financial-criminal history of the Beach and reveals a tale that, in the words of one character, "makes Scarface look like a documentary." From its beginnings in the 1890s, the Beach has been a place made by visionaries and hustlers. During

Prohibition, Al Capone had to muscle into its bootlegging and gambling businesses. After December 1941, when the Beach was the training ground for half a million army recruits, even the war couldn't stop the party. After a short postwar boom, the city's luck gave out. The big hotels went bankrupt, the crime rate rose, and the tourists moved on to Disney World and the Caribbean. Even after the Beach hosted both national political conventions in 1972, nobody would have imagined that this sandy backwater of run-down hotels and high crime would soon become one of the country's most important cultural centers. But in 1981, 125,000 Cubans arrived by the boatload. The empty streets of South Beach, lined with dilapidated Art Deco hotels, were about

to be changed irrevocably by the culture of money that moved in behind cocaine and crime. Posner takes us inside the intertwined lives of politicians, financiers, nightclub owners, and real estate developers who have fed the Beach's unquenchable desire for wealth, flash, and hype: the German playboy who bought the entire tip of South Beach with \$100 million of questionable money; the mayoral candidate who said, "If you can't take their money, drink their liquor, mess with their women, and then vote against them, you aren't cut out for politics"; the Staten Island thug who became king of the South Beach nightclubs only to have his empire unravel and saved himself by testifying against the mob; the campaign manager who calls himself the "Prince of

Darkness" and got immunity from prosecution in a fraud case by cooperating with the FBI against his colleagues; and the former Washington, D.C., developer who played hardball with city hall and became the Beach's first black hotel owner. From the mid-level coke dealers and their suitcases of cash to the questionable billions that financed the ocean-view condo towers, the Beach has seen it all. Posner's singular report tells the real story of how this small urban beach community was transformed into a world-class headquarters for American culture within a generation. It is a story built by dreamers and schemers. And a steroid-injected cautionary tale.

Ultimate Sacrifice

John and Robert Kennedy, the Plan for a Coup in Cuba, and the Murder of JFK *Catapult*

A landmark in historical research, tying the Mafia and Cuba to the assassination of JFK—updated to reveal the role of Cuban Commander Juan Almeida. Recent revelations by the U.S. government point to Cuba's former number three official—Commander Juan Almeida—as secretly working with President John F. Kennedy in November 1963 to overthrow Fidel Castro. This updated edition of *Ultimate Sacrifice* tells the full story for the first time—complete with new photos and documents. The authors obtained the story from almost two dozen associates of John and Robert Kennedy, starting in 1990 with JFK's Secretary of State Dean Rusk. Their accounts are

supported by thousands of newly released files at the National Archives. A “palace coup,” set for December 1, 1963, was to be backed up by U.S. forces “invited” in by Commander Almeida, then Chief of the Cuban Army. However, three Mafia bosses being targeted by Attorney General Robert F. Kennedy used several CIA assets to infiltrate the secret plot and murder JFK. The new edition explains why Almeida was not a double agent, why Fidel suspected Almeida’s ally Che Guevara, and what Fidel did in 1990 when he finally found out about Almeida’s work for JFK. “How well do the authors make their case? With a relentless accumulation of detail, a very thorough knowledge of every political and forensic detail and the broad perspective of

historians rather than assassination theorists.” —Publishers Weekly (starred review) “At last, the mysteries surrounding JFK’s death are fully explained by the startling revelations in this book.” —William W. Turner, former FBI agent and author of *Deadly Secrets*

Motown

Music, Money, Sex, and Power *Random House*

In 1959, twenty-nine-year-old Berry Gordy, who had already given up on his dream to be a champion boxer, borrowed eight hundred dollars from his family and started a record company. A run-down bungalow sandwiched between a funeral home and a beauty shop in a poor Detroit neighborhood

served as his headquarters. The building's entrance was adorned with a large sign that improbably boasted "Hitsville U.S.A." The kitchen served as the control room, the garage became the two-track studio, the living room was reserved for bookkeeping, and sales were handled in the dining room. Soon word spread that any youngster with a streak of talent should visit the only record label that Detroit had seen in years. The company's name was Motown. Motown cuts through decades of unsubstantiated rumors and speculation to tell the true behind-the-scenes narrative of America's most exciting musical dynasty. It follows the company and its amazing roster of stars from the tumultuous growth years in Detroit, to the drama and intrigue of

Hollywood in the 1970s, to resurgence in 2002. Set against the civil rights movement, the decay of America's northern industrial cities, and the social upheaval of the 1960s, Motown is a tale of the incredible entrepreneurship of Berry Gordy. But it also features the moving stories of kids from Detroit's inner-city projects who achieved remarkable success and then, in many cases, found themselves fighting the demons that so often come with stardom—drugs, jealousy, sexual indulgence, greed, and uncontrollable ambition. Motown features an extraordinary cast of characters, including Diana Ross, Michael Jackson, Marvin Gaye, Smokey Robinson, and Stevie Wonder. They are presented as they lived and worked: a clan of friends,

lovers, competitors, and sometimes vicious foes. Motown reveals how the hopes and dreams of each affected the lives of the others and illustrates why this singular story is a made-in-America Greek tragedy, the rise and fall of a supremely talented yet completely dysfunctional extended family. Based on numerous original interviews and extensive documentation, Motown benefits particularly from the thousands of pages of files crammed into the basement of downtown Detroit's Wayne County Courthouse. Those court records provide the unofficial—and hitherto largely untold—history of Motown and its stars, since almost every relationship between departing singers, songwriters, producers, and the label ended up in litigation. From its peaks in the late

1960s and early 1970s, when Motown controlled the pop charts and its stars were sought after even by the Beatles, through the inexorable slide caused by their failure to handle their stardom, Motown is a riveting and troubling look inside a music label that provided the unofficial soundtrack to an entire generation.

Oswald's Tale

An American Mystery *Random House*
In perhaps his most important literary feat, Norman Mailer fashions an unprecedented portrait of one of the great villains—and enigmas—in United States history. Here is Lee Harvey Oswald—his family background, troubled marriage, controversial journey to

Russia, and return to an “America [waiting] for him like an angry relative whose eyes glare in the heat.” Based on KGB and FBI transcripts, government reports, letters and diaries, and Mailer’s own international research, this is an epic account of a man whose cunning, duplicity, and self-invention were both at home in and at odds with the country he forever altered. Praise for *Oswald’s Tale* “America’s largest mystery has found its greatest interpreter.”—The Washington Post Book World “Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance. . . . From the American master conjurer of dark and swirling purpose, a moving reflection.”—Robert Stone, The New York Review of Books “A narrative of

tremendous energy and panache; the author at the top of his form.”—Christopher Hitchens, Financial Times “The performance of an author relishing the force and reach of his own acuity.”—Martin Amis, The Sunday Times (London) Praise for Norman Mailer “[Norman Mailer] loomed over American letters longer and larger than any other writer of his generation.”—The New York Times “A writer of the greatest and most reckless talent.”—The New Yorker “Mailer is indispensable, an American treasure.”—The Washington Post “A devastatingly alive and original creative mind.”—Life “Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance.”—The New York Review of Books “The largest mind and

imagination [in modern] American literature . . . Unlike just about every American writer since Henry James, Mailer has managed to grow and become richer in wisdom with each new book.”—Chicago Tribune “Mailer is a master of his craft. His language carries you through the story like a leaf on a stream.”—The Cincinnati Post

Case Open

The Unanswered JFK Assassination Questions *Carroll & Graf Pub*

No one knows more about the assassination of President Kennedy than Harold Weisberg, so said the FBI in open court. Harold Weisberg - a former OSS and Senate Investigator wrote and published. Whitewash in 1965, the first

book criticizing the conclusion of the Warren Commission. Since then, he has written and published seven books on President Kennedy's assassination. Case Open is a book Mr. Weisberg felt compelled to write. He felt a need and determination to set the record straight. In proving that Gerald Posner, in Case Closed, has proven nothing, Mr. Weisberg has proven that President Kennedy was killed by a conspiracy. In analyzing Case Closed, he demonstrates that Gerald Posner has distorted evidence, suppressed evidence, omitted evidence, developed no new evidence, omitted sources, misappropriated the research of others and misled the reader into believing that he had sponsored new scientific computer enhancements. At best, Gerald Posner has provided a

case for the prosecution. Now it is time to present the case for Case Open. Let the American public decide who has presented the stronger case: Gerald Posner or Harold Weisberg.

Mengele

The Complete Story *Cooper Square Press*

Based on exclusive and unrestricted access to more than 5,000 pages of personal writings and family photos, this definitive biography of German physician and SS-Hauptsturmführer Josef Mengele (1911-1979) probes the personality and motivations of Auschwitz's "Angel of Death." From May 1943 through January 1945, Mengele selected who would be gassed immediately, who would be

worked to death, and who would serve as involuntary guinea pigs for his spurious and ghastly human experiments (twins were Mengele's particular obsession). With authority and insight, Mengele examines the entire life of the world's most infamous doctor.

The Eleventh Commandment *Pan Macmillan*

A gripping spy thriller set at an addictive pace, from bestselling author, Jeffrey Archer. Connor Fitzgerald is the professional's professional. Holder of the Medal of Honour. Devoted family man. The CIA's most deadly weapon. But for twenty-eight years, he has been leading a double life. And only days from his retirement, he comes across an enemy even he cannot handle. The enemy is his

own boss. And she has only one purpose: to destroy him. Meanwhile, the United States is faced with an equally formidable foe: a new Russian President, determined to force a military confrontation between the two superpowers. Ranging from the Oval Office in the White House to a Russian Mafia boss's luxurious hideaway outside St Petersburg, *The Eleventh Commandment* sets new standards in contemporary thriller writing. Jeffrey Archer scoops his readers up in the first paragraph, and doesn't let them go until the last. The pace, the ingenuity, the twists, intertwined with a moving love story, show Britain's bestselling writer at the peak of his page-turning powers.

The Posner Files

Case Closed and Killing the Dream

Open Road Media

Definitive accounts of JFK's and Martin Luther King's assassinations by a Pulitzer Prize finalist and New York Times bestselling author. *Case Closed*: A Pulitzer Prize finalist and New York Times bestseller, *Case Closed* is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F. Kennedy. Drawing from official sources and dozens of interviews, filled with powerful historical detail, and including an updated comment for the fiftieth anniversary, Posner's "utterly convincing" book lays to rest all of the convoluted conspiracy theories—concerning the mafia, a second shooter, and the CIA—that have

obscured what really happened in Dealey Plaza on November 22, 1963 (Chicago Tribune). “By far the most lucid and compelling account . . . of what probably did happen in Dallas—and what almost certainly did not.” —The New York Times Book Review Killing the Dream: On April 4, 1968, Martin Luther King Jr., was killed in Memphis, Tennessee, by a single assassin’s bullet. James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony where King was shot. An international manhunt ended two months later with Ray’s capture. Though Ray initially pled guilty, he quickly recanted and for the rest of his life insisted he was an unwitting pawn in a grand conspiracy. In *Killing the Dream*, expert investigative reporter Gerald

Posner cuts through phony witnesses, false claims, and a web of misinformation to put Ray’s conspiracy theory to rest and disclose what really happened the day King was murdered. “A superb book: a model of investigation, meticulous in its discovery and presentation of evidence, unbiased in its exploration of every claim. And it is a wonderfully readable book, as gripping as a first-class detective story.” —The New York Times

Citizen Perot

His Life and Times *Random House Incorporated*

An in-depth analysis of Ross Perot discusses his rise to power and fortune, his 1992 presidential bid, his creation of

a third political party in the U.S., and its implications for the American political process. 100,000 first printing. Tour.

Case Closed

"The assassination of John F. Kennedy on November 22, 1963, continues to inspire interest ranging from well-meaning speculation to bizarre conspiracy theories and controversial filmmaking. But in this landmark book, reissued with a new afterword for the 40th anniversary of the assassination, Gerald Posner examines all of the available evidence and reaches the only possible conclusion: Lee Harvey Oswald acted alone. There was no second gunman on the grassy knoll. The CIA was not involved. And although more than four million pages of documents have been

released since Posner first made his case, they have served only to corroborate his findings. Case Closed remains the classic account against which all books about JFK's death must be measured."--BOOK JACKET.

Four Days in November: The Assassination of President John F. Kennedy *W. W. Norton & Company*

"A book for the ages." —Los Angeles Times Book Review
Four Days in November is an extraordinarily exciting, precise, and definitive narrative of the assassination of President John F. Kennedy on November 22, 1963, by Lee Harvey Oswald. It is drawn from *Reclaiming History: The Assassination of President John F. Kennedy*, a monumental and historic account of the

event and all the conspiracy theories it spawned, by Vincent Bugliosi, legendary prosecutor of Charles Manson and author of *Helter Skelter*. For general readers, the carefully documented account presented in *Four Days* is utterly persuasive: Oswald did it and he acted alone.

Steering Truth

My Eternal Connection to JFK and Lee Harvey Oswald *Page Publishing Inc*

On the afternoon of November 22, 1963, a nineteen-year-old Buell Wesley Frazier was thrown up against the wall by two detectives and escorted to Dallas Police Station. His coworker and sometimes passenger to and from work Lee Harvey

Oswald was the presumed assassin of President John F. Kennedy and Officer J. D. Tippit. It didn't take Buell long to figure out that he was presumed guilty by association. Buell was afraid for himself and his family. Years of emotional pain built up. He had long forgotten how to trust people. He became resentful of the police force, and he doubted whether he would be ever to hold his head up in public and see people who believed his story. In the early nineties, Buell's life was changed forever when he met a man who would become his best friend and confidant. Over the years, Buell emerged from the shadows and slowly found the peace and self-confidence he had longed to have. At the request of some friends, he began to talk to the public. From panel

discussions to classrooms, Buell was surprised to learn that there were people who not only wanted to hear his story believed him too! This turn of events caused a paradigm shift in the way Buell saw himself. As a result, he became inspired by those people to write his complete story. For the first time in fifty years, he welcomes you to be a passenger on this road trip to learn how hard work, perseverance, self-belief, and resiliency became the pillars that supported the long transition of the boy he was to the man he became.

Final Report of the Assassination Records Review Board *U.S. Government Printing Office*

Passport to Assassination

The Never-before-told Story of Lee Harvey Oswald by the KGB Colonel who Knew Him *Birch Lane Press*

Reveals Oswald's association with Soviet intelligence before Kennedy's assassination

Why America Slept

The Failure to Prevent 9/11 *Random House Incorporated*

Examines the terrorist attacks of September 11th and why the disaster was not prevented, discussing how breakdowns in intelligence and political infighting allowed terrorists to carry out an unprecedented attack on American soil.

On The Trail of Delusion

Jim Garrison: The Great Accuser*Northernblues Books*

Fred Litwin exposes the truth about Jim Garrison, the New Orleans District Attorney, who 'solved' the JFK assassination in 1967. On the Trail of Delusion shows how Garrison persecuted an innocent gay man in order to spout his crazy conspiracy theories. There is also a touch of bribery and intimidation, the story of his attempt to charge a dead man with being a grassy knoll assassin, the former Marine he believed was a 'second Oswald,' several con men who turned the tables and fooled Garrison, the use of truth serum and hypnosis to recover memories, the ugly story of Oliver Stone's homophobic film JFK, and a lawyer from Montreal who was unjustly accused of operating an international

assassination bureau. There's even a chapter with flying saucers. And a whole lot more.

A Simple Act of Murder**November 22, 1963** *Harper Paperbacks*

On November 22, 1963, a murder was committed in Dallas, Texas. Nearly 80 percent of the American people don't believe the victim was killed by a lone gunman. The House Assassinations Committee determined it was the work of "a conspiracy," yet no conspirators were ever identified or brought to justice. For more than forty years the case has remained unsolved—until now. Mark Fuhrman has cracked some of the best-known, most puzzling crimes in

American history. In *A Simple Act of Murder*, he investigates the tragedy that rocked a nation: the assassination of President John F. Kennedy. Cutting through the myths and misinformation, Fuhrman focuses on the hard evidence, unveiling a major clue that was ignored for more than four decades—a breakthrough that will change the ongoing debate forever. Once you read this book, you'll know definitively who killed JFK.

The Road to Dallas *Harvard University Press*

The assassination of President John F. Kennedy was an appalling and grisly conspiracy. In this unvarnished story, Kaiser shows that the events of November 22, 1963, cannot be

understood without fully grasping the two larger stories of which they were a part: the U.S. government's campaign against organized crime, which began in the late 1950s and accelerated dramatically under Robert Kennedy; and the furtive quest of two administrations to eliminate Fidel Castro. This book brings to light the complete, frequently shocking, story of the JFK assassination and its aftermath.

Warlords of Crime

Chinese Secret Societies--the New Mafia *Penguin Group USA*

Discusses the growing menace of Chinese youth gangs and their usurpation of power from traditional crime organizations

The Death of a President

November 20-November 25, 1963

Little, Brown

William Manchester's epic and definitive account of President John F. Kennedy's assassination--now restored to print in a new paperback edition. As the world still reeled from the tragic and historic events of November 22, 1963, William Manchester set out, at the request of the Kennedy family, to create a detailed, authoritative record of the days immediately preceding and following President John F. Kennedy's death. Through hundreds of interviews, abundant travel and firsthand observation, and with unique access to the proceedings of the Warren Commission, Manchester conducted an

exhaustive historical investigation, accumulating forty-five volumes of documents, exhibits, and transcribed tapes. His ultimate objective -- to set down as a whole the national and personal tragedy that was JFK's assassination -- is brilliantly achieved in this galvanizing narrative, a book universally acclaimed as a landmark work of modern history.

A Farewell to Justice

Jim Garrison, JFK's Assassination, and the Case That Should Have Changed History *Skyhorse*

Working with thousands of previously unreleased documents and drawing on more than one thousand interviews, with many witnesses speaking out for the first

time, Joan Mellen revisits the investigation of New Orleans district attorney Jim Garrison, the only public official to have indicted, in 1969, a suspect in President John F. Kennedy's murder. Garrison began by exposing the contradictions in the Warren Report, which concluded that Lee Harvey Oswald was an unstable pro-Castro Marxist who acted alone in killing Kennedy. *A Farewell to Justice* reveals that Oswald, no Marxist, was in fact working with both the FBI and the CIA, as well as with US Customs, and that the attempts to sabotage Garrison's investigation reached the highest levels of the US government. Garrison's suspects included CIA-sponsored soldiers of fortune enlisted in assassination attempts against Fidel Castro, an anti-

Castro Cuban asset, and a young runner for the conspirators, interviewed here for the first time by the author. Building upon Garrison's effort, Mellen uncovers decisive new evidence and clearly establishes the intelligence agencies' roles in both a president's assassination and its cover-up. In this revised edition, to be published in time for the fiftieth anniversary of the president's assassination, the author reveals new sources and recently uncovered documents confirming in greater detail just how involved the CIA was in the events of November 22, 1963. More than one hundred new pages add critical evidence and information into one of the most significant events in human history.

Blood, Money, & Power

How LBJ Killed JFK *Skyhorse*

Blood, Money, & Power exposes the secret, high-level conspiracy in Texas that led to President John F. Kennedy's death and the succession of Lyndon B. Johnson as president in 1963. Attorney Barr McClellan, a former member of L.B.J.'s legal team, uses hundreds of newly released documents, including insider interviews, court papers, and the Warren Commission, to illuminate the maneuvers, payoffs, and power plays that revolved around the assassination of Kennedy and to expose L.B.J.'s involvement in the murder plot. In addition to revealing new information, McClellan answers common questions surrounding the assassination of our

thirty-fifth president. Who had the opportunity, motive, and means to assassinate J.F.K.? Who controlled the investigation and findings of the Warren Commission? This historically significant book is proof that absolute power, money, blood, corruption, and deception were at the heart of politics in the early 1960s, and it represents the very best investigative journalism has to offer.

The JFK Assassination Debates

Lone Gunman Versus Conspiracy

William L. Kurtz delivers a comprehensive, thought-provoking book about the various theories surrounding the JFK assassination, favoring the conspiracy theory himself.

Marina and Lee

The Tormented Love and Fatal Obsession Behind Lee Harvey Oswald's Assassination of John F. Kennedy *Steerforth*

The inside story of Lee Harvey Oswald's path to killing John F. Kennedy. Reissued to mark the 50th anniversary of the Kennedy assassination, Marina and Lee is an indispensable account of one of America's most traumatic events, and a classic work of narrative history. In her meticulous, at times even moment by moment, account of Oswald's progress toward the assassination, Priscilla Johnson McMillan takes us inside Oswald's fevered mind and his manic marriage. When Marina, only a few weeks after giving birth to their second

child, hears of Kennedy's death and discovers that Lee's rifle is missing from the garage where it was stored, she knows that her husband has killed the President. McMillan came to the story with a unique knowledge of the two main characters. In the 1950s she had worked for Kennedy and had known him well for a time. Later, working in Moscow as a journalist, she interviewed Lee Harvey Oswald during his attempt to defect to the Soviet Union. When she heard his name again on November 22, 1963, she said, "My God! I know that boy!" Marina and Lee was written with the complete and exclusive cooperation of Oswald's Russian-born wife, Marina Prusakova, whom McMillan debriefed for seven months in the immediate aftermath of the President's assassination and her

husband's nationally televised execution at the hands of Jack Ruby. The truth is far more compelling, and unsettling, than the most imaginative conspiracy theory. Marina and Lee is a human drama that is outrageous, heartbreaking, tragic, fascinating. . . and real. From the Trade Paperback edition.

Oswald Talked

The New Evidence in the JFK Assassination *Pelican Publishing*

Live by the Sword

The Secret War Against Castro and the Death of JFK *Bancroft Press*

Humiliated at the Bay of Pigs, John and Robert Kennedy sought desperately to

eliminate Castro. Their strategies for overthrowing the Cuban leader were so elaborate and bizarre, they could only engender paranoia. Castro openly threatened to retaliate. Pro-Castro agitator Lee Harvey Oswald learned that Robert Kennedy was personally supervising groups plotting against the Cuban leader. Filled with rage and a sense of destiny, Oswald went to the Cuban embassy in Mexico, announcing he would kill America's president in exchange for sanctuary in Havana. *Live By the Sword* forces the conclusion that members of the Cuban regime accepted the troubled American's offer. Russo shows that Oswald was indeed JFK's lone assailant, but that after the president's murder, a devastated Robert Kennedy and key officials launched a

comprehensive coverup to hide its true causes. Gus Russo, based in Baltimore, Maryland, has reported for acclaimed ABC and PBS documentaries on JFK, and done research for authors Gerald Posner, Seymour Hersh, and Anthony Summers. Exhaustively researched, *Live By the Sword* ends 35 years of public mistrust and confusion over the Kennedy assassination.

Secrets of the Kingdom

The Inside Story of the Saudi-U.S. Connection *Random House Incorporated*

Explores the secret alliance between the United States and the ruling family of Saudi Arabia, revealing details of the impact of the Saudis on American

businesses and politics, including big oil interests and covert military plans.

The Pharmacist of Auschwitz

The Untold Story *Crux Publishing Ltd*

Left Out

The Inside Story of Labour Under Corbyn *Random House*

'THE POLITICAL BOOK OF THE YEAR' Tim Shipman A blistering narrative exposé of infighting, skulduggery and chaos in Corbyn's Labour party, now revised and updated. * A Times, Guardian, Daily Telegraph, Sunday Times and i Newspaper Book of the Year * Left Out tells, for the first time, the astonishing full story of Labour's recent

transformation and historic defeat. Drawing on unrivalled access, this blistering exposé moves from the peak of Jeremy Corbyn's popularity and the shock hung parliament of 2017 to Labour's humbling in 2019 and the election of Keir Starmer. It reveals a party at war with itself, and puts the reader in the room as tensions boil over, sworn enemies forge unlikely alliances and lifelong friendships are tested to breaking point. This is the ultimate account of the greatest experiment seen in British politics for a generation. 'Gripping... Every bit as good as people say' Guardian 'Reads like a thriller...told with panache and pace' Financial Times 'The definitive post-mortem of the Corbyn project' Sunday Times

The Kennedy Half-Century

The Presidency, Assassination, and Lasting Legacy of John F. Kennedy

Bloomsbury Publishing USA

An original and illuminating narrative revealing John F. Kennedy's lasting influence on America, by the acclaimed political analyst Larry J. Sabato.

With Malice

Lee Harvey Oswald and the Murder of Officer J. D. Tippit *Open Road Media*

The definitive work on the murder of Dallas patrolman J. D. Tippit—killed forty-five minutes after President Kennedy—and its far-reaching implications for the JFK assassination and aftermath Although considered the

Rosetta stone of the case against Lee Harvey Oswald, the murder of Dallas police officer J. D. Tippit—killed less than an hour after the assassination of President Kennedy—has proven to be one of the most misunderstood, largely ignored, and often twisted aspects of the Kennedy assassination. For five decades, a community of doubters has contorted official accounts of the shooting to exonerate Oswald. There have been many questions raised about Tippit's death over the past fifty years, but few real attempts to find the answers. Did Oswald murder Tippit? Was Tippit a part of the plot to murder President Kennedy? What really happened on Tenth Street? In *With Malice*, Dale K. Myers brings thirty-five years of research to this second-by-second account of the murder

of Officer Tippit and the frantic manhunt that ended in the arrest of Lee Harvey Oswald. Filling a major void in Kennedy assassination literature, it weaves firsthand accounts, newly released documents, and previously unpublished photographs into a detailed tapestry of facts that lifts the veil on the mystery surrounding this pivotal moment in American history.

JFK's Forgotten Crisis

Tibet, the CIA, and the Sino-Indian War *Brookings Institution Press*

Bruce Riedel provides new perspective and insights into Kennedy's forgotten crisis in the most dangerous days of the cold war. The Cuban Missile Crisis defined the presidency of John F.

Kennedy. But during the same week that the world stood transfixed by the possibility of nuclear war between the United States and the Soviet Union, Kennedy was also consumed by a war that has escaped history's attention, yet still significantly reverberates today: the Sino-Indian conflict. As well-armed troops from the People's Republic of China surged into Indian-held territory in October 1962, Kennedy ordered an emergency airlift of supplies to the Indian army. He engaged in diplomatic talks that kept the neighboring Pakistanis out of the fighting. The conflict came to an end with a unilateral Chinese cease-fire, relieving Kennedy of a decision to intervene militarily in support of India. Bruce Riedel, a CIA and National Security Council veteran,

provides the first full narrative of this crisis, which played out during the tense negotiations with Moscow over Cuba. He also describes another, nearly forgotten episode of U.S. espionage during the war between India and China: secret U.S. support of Tibetan opposition to Chinese occupation of Tibet. He details how the United States, beginning in 1957, trained and parachuted Tibetan guerrillas into Tibet to fight Chinese military forces. The United States did not abandon this covert support until relations were normalized with China in the 1970s. Riedel tells this story of war, diplomacy, and covert action with authority and perspective. He draws on newly declassified letters between Kennedy and Indian leader Jawaharlal Nehru, along with the diaries and memoirs of

key players and other sources, to make this the definitive account of JFK's forgotten crisis. This is, Riedel writes, Kennedy's finest hour as you have never read it before.

Lee Harvey Oswald: 48 Hours to Live

Oswald, Kennedy, and the Conspiracy That Will Not Die *Sterling Publishing Company Incorporated*

Follows Lee Harvey Oswald in the forty-eight hours after John F. Kennedy was shot, drawing from photos and recently

declassified documents to examine whether he pulled the trigger, and, if so, if he acted alone.

The Bio-assassins *McGraw-Hill Companies*

A CIA research station in London is attacked, its members murdered, and their potentially lethal biological research is stolen, setting iconoclastic agent Richard McGinnis off in pursuit of the enemy agents and their deadly bacteria
