Leveraging technology and responding to a fundamentally altered external environment has both forced change on the military and offered significant potential for new warfighting concepts. The capacity to effectively absorb such profound change, and exploit such potential, is possible only if the military organization transforms itself to become a learning organization.

Leading Change: The Military as a Learning Organization

The Royal Marines also have their own special forces unit. In the majority of countries, the marine force is an integral part of the navy. The United States Marine Corps is a separate armed service within the United States Department of the Navy, with its own leadership structure. Naval aviation
