In a book market that is constantly flooded with historical romance/fiction of the Second World War, it's always refreshing to get my hands on a book set during the First World War. A dual narrative, The Poppy Field taking place in 2018 and the war years &aftermath of 1916-1919. The two women, both nurses, also seem to have similar love experiences.

The Poppy Story (First Level & up). - YouTube

A new picture-book classic celebrating the poppy's history, from two legends of children's literature. Michael Morpurgo and Michael Foreman have teamed up with the Royal British Legion to tell an original story for the whole family that explains the significance of the poppy. In Flanders' fields, young Martens knows his family's story, for it is as precious as the faded poem hanging in their home.
