The Cinderella Deal

'The Cinderella Deal' is a short, fairly formulaic, early 90's romance. Daisy and Linc begin as almost caricatures of themselves; the loosey-goosey anything

goes hippie, and the uptight type-A college professor. Linc's tenure requirements lead to the fake marriage deal, and they are forced to spend time together.

The Cinderella Deal is a straight-forward romance, minus the secondary characters and complicated mystery plots in Crusie's later books. She manages to take the old fake marriage trope and add her own clever spin to it. Daisy and Linc are both likable and very typical of Crusie's characters (him/straight-laced and her/bohemian).

"The Cinderella Deal" is a beautifully tender and moving romance. It may be one of Crusie's earlier works, but her
