Top Websites About Edge City Comic

Edge city is a term that originated in the United States for a concentration of business, shopping, and entertainment outside a traditional downtown or central business district, in what had previously been a suburban residential or rural area. The term was popularized by the 1991 book Edge City: Life on the New Frontier by Joel Garreau, who established its current meaning while working as a reporter for The Washington Post. Garreau argues that the edge city has become the standard form of urban

In 2001, King Features Syndicate syndicated Edge City, a daily comic strip drawn by LaBan and co-written with his wife, Patty LaBan. Edge City (e.g., a community outside the boundaries of what people traditionally think of as the city and its suburb) looks at modern family life through the eyes of the fictional Ardin family. In the strip, Len and Abby Ardin are a Jewish-American couple dwelling in the far reaches of suburbia, in a life very different from the one they lived growing up.
