Second Grade Standards for the State of California

(+) Indicates additional mathematics to prepare students for advanced courses. Some standards are repeated in multiple higher mathematics courses; therefore instructional notes, which appear in brackets, indicate what is appropriate for study in this particular course. Standards with California additions appear with a "CA" notation at the end.

CA Content Standards (CA Dept of Education)

State Standards Initiative for rigor and alignment with the California standards. Based on the evaluation, the

Commission in-serted words, phrases, and select California standards to maintain California's high expectations for students. On July 15, 2010, the Commission recommended that the SBE adopt the CA CCSSM as amended.

California Common Core State Standards

Use addition and subtraction within 100 to solve one- and two-step word problems involving situations of adding to, taking from, putting together, taking apart, and comparing, with unknowns in all positions, e.g., by using drawings and equations with a symbol for the unknown number to represent the problem.

Second Grade Math Common Core State Standards: Overview

In Grade 2, instructional time should focus on four critical areas: (1) extending understanding of base-ten notation; (2) building fluency with addition and subtraction; (3) using standard units of measure; and (4) describing and analyzing shapes. Students extend their understanding of the base-ten system.
