Talk to Me First is for any parent who wants to become and remain the most credible and influential resource about sexuality in their children's lives. We live

in a time when kids of all ages are bombarded with age-sensitive material wherever they turn; "sexting" and bullying are on the rise at an increasingly younger age, and teen moms are "celebrified." What is a concerned -- and embarrassed -- parent to do?

"Talk to Me First is really a guide to becoming your kids' go-to person about life. As a parent and a professional, I am doubly grateful for Roffman's clarity and practicality; she knows that parents must be 'ongoing nurturers' rather than 'periodic information givers' if they are going to

successfully counter today's valueless marketing and media messages about intimacy and relationships."
