Managerial Accounting Defined .
Managerial accounting is the process of identifying and analyzing financial information so that management personnel can make better-informed business decisions.

Common Concepts and Techniques of Managerial Accounting

Having previously read "Fundamental Financial Accounting Concepts" by the same people, this book was a disappointment. It came off as incredibly

dry, and was not all that clear in its presentation of the concepts. The "Fundamental Financial Accounting" volume is great, but I'd recommend another author for the managerial book.
