Abstract. This paper overviews some of the domains of application of micro-level language planning approaches to foster multilingual education. It examines the language planning of local agents and the contexts in which their work contributes to multilingual education, either to expand or limit educational possibilities.

Micro language planning for multilingual education: agency ...

In terms of policy, planning, pedagogy and practice, languages can either negate, recognize, tolerate, respect or nurture each other, or go beyond that and share mutual space (Durairajan, 2003). Currently, English classrooms in India do not even recognize languages other than English that are a part of the

repertoire of students.

Language Teaching in Multilingual Contexts: Using the ...

The paper argues that a typology of multilingual contexts that witness different kinds of development of languages and national identities has to be viewed as a cline. At one extreme lie Type A societies in which 'language' as an entity is anthropomorphized by its speakers, so much so that in some communities, it is revered and regarded as an ...

...

Decisions around language policy and planning are made around the globe every day, both formally by governments and informally by scholars and community leaders. These decisions influence the right to use and maintain languages, affect language status, and determine which languages are nurtured. Language policy and planning decisions have a major impact on language vitality and, ultimately, on the rights of the individual.

Language Planning & Policy - CAL

For instance, language teachers have to be ready to develop practices that aim at dealing with multilingualism and plurilingualism on multiple levels (e.g., syllabi policies, individual

learners) and to various degrees (e.g., develop a general understanding, develop specific techniques for dealing with multilingual literacies). Language teachers faced with the challenge of multilingualism and plurilingual repertoires can no longer draw on single resources like bringing in materials in a ...

Multilingualism and the language education landscape ...

In this article, we apply Ruiz's language-as-resource orientation to three international settings: Taiwan, Pakistan, and mainland China. Our guiding question was how different languages (indigenous languages, Chinese, and English) were positioned differently as resources in these contexts. For our analysis, we used Lo Bianco's (2001) elaboration of the language-as-resource framework as our ...
