Legacy. One way of thinking about immortality is in the sense that you leave something behind you that will last much longer than your life did, so that people will still get something from your life long after it is over. One example of this would be Andrew Carnegie, who died in 1919. He was a Scottish / American industrialist who made his fortune in steel.

Legacy Lessons of Symbolic Immortality. We can all imagine and anticipate concerns about our death and the uncertainty and anxiety common at the end of our lives. Death represents both the physical and mental annihilation of life. Most human hope is for the future immortality of our philosophy, our deeds and our soul.
