Fairies are said to be of human size or

smaller, down to a height of 3 inches (7.5 cm) or less. Female fairies may tell fortunes, particularly prophesying at births and foretelling deaths. Several herbs, especially St.-John's-wort and yarrow , are potent against fairies, and hawthorn trees, foxglove , and groundsel are so dear to them that abuse of these plants may bring retribution .

This encyclopedia is about faeries in world mythology and at first seems like a fairly comprehensible read/review of those fae. However, please read with a large grain of salt; a number of the entries are simply alternate spellings of other fae names and in some cases, there's more than one faerie with the exact same name but the author doesn't list those other fae.
