Emotions are extreme and public because, as scholars have argued, people in this culture do not have our modern sense of subjectivity or of a private self. What therefore becomes important are questions of honor and shame, which is why, for example, Odysseus must immediately respond to the challenge of Euryalus during the Phaeacian games in Book VIII of the Odyssey .

### General Introduction to Postmodernism

Our self-concept is important because it influences how we think, feel, and act in everyday organizational life. Understanding the self-concept is particularly important for managers because self-knowledge helps managers understand why they do the things they do and how their beliefs and behaviors affect themselves, others, and the organization—for better and worse.

### Why the Self-Concept Is Important - Practical Coach ...

Introduction. Plurality and the Poetics of Self investigates the words "I" and "self" as suggestive of eight territories of meaning. Via poetry's lens into language and its limits, Bruce Bond explores the notion of self as identity, volitional agent, ego, existential monad, subjectivity, ontological origin, soul, and transpersonal psyche.
