Everyday Champions

Unleash the Gifts God Gave You, Step Into Your Purpose, and Fulfill Your Destiny *Defender*

Did you know YOU have God-given gifts? That you've been designed for fellowship with--and service to--the King of Kings?! Yet perhaps you find yourself bewildered whenever you hear teachings on the "Gifts of the Spirit"? Do you sometimes feel as if those supernatural talents were given to everyone you know, while you, yourself, struggle to identify with any of them? Do you

wonder if your work in the Lord's service would be more efficient if you identified with a gift? What God installed in YOU for such a time as this? If so, you're not alone. Joe Ardis Horn was, like many, confused about his role in the Body of Christ for most of his life. From his youngest years, religious people outside his family exposed him to mystifying (and completely false) theologies and church practices, while simultaneously expecting him to live up to an ever-changing list of behavioral standards that differed from one church leader to another. His understanding of--and relationship with--the Lord was born from these perplexing years, and ruthless bullying in school exacerbated his search to find his place in the Kingdom of God. The perpetual hard knocks left him drifting like a leaf in life's windstorm: destination unknown. Yet from the ashes of this turmoil arose the unexpected heroes, the champions, the few people whose seemingly minuscule investments into Joe's life revealed the rock-solid Kingdom call upon him from birth...as well as a sudden, intense, God-given message for every Christ-follower: The Holy-Spirit-given gifts you seek might not be what you think they are. The book you now hold in your hands reveals how to pinpoint and connect to what God gifted you to be in His service. In *Everyday Champions*, you will: - Learn how God designed you to be an Everyday Champion - Recognize how to identify and unleash your supernatural, God-given gifts - Discover the most overlooked spiritual gifts in the Bible - Ascertain what the true meaning of faithful ministry is - Journey with Joe as he walks you step by step through his experiences in both the authentic and superficial religious institutions - Meet real-life heroes whose small investments in Joe's life brought clarity and

purpose - Learn what Paul meant when he wrote about the Uncomely Parts of the body of Christ!

Walking in Your Prophetic Destiny

How to Work with The Holy Spirit to Fulfill Your Calling

Thomas Nelson

Do you desire to do great things for God? There's not a saint alive who doesn't have a deep longing in their heart to do something great for God. God places that desire in us. What's missing, however, is a clear understanding of how to work with the Holy Spirit to make that desire come to life. But it doesn't always start like we think it should... Jennifer LeClaire's "destiny" began in a Florida jail. When her husband left her alone with a two-year-old baby, Jennifer was arrested for a crime she didn't commit. Then a prison ministry rolled through and she gave her life to Jesus right there in her "county blues." With her heart surrendered to Christ, Jennifer simply wanted to write for Jesus. The doors began to open for her and now she runs a vibrant ministry on multiple platforms. Most people, though, don't even know where to start. *Walking in Your Prophetic Destiny* will give readers a clear outline on what to expect as they pursue God's purpose. But first, you will have to allow Him to shift your mindset, which means: Giving up your personal agenda, purify your heart, and seek His agenda. Becoming a serious student of the Scriptures. Submitting to mature mentors and teachers who will offer guidance and correction. Facing the demons of your past, and confront old voices in your head telling you the same negative, false things about yourself. Learning how to wait on God's timing and not your

own. Part memoir, part personal instruction, *Walking in Your Prophetic Destiny* is the perfect teaching for anyone ready to take God's call to the next level.

Lost and Found

Finding Hope in the Detours of Life *Baker Books*

Don't let your past keep you from a full future. Like every girl, Sarah Jakes dreamed of a life full of love, laughter, and happy endings. But her dreams changed dramatically when she became pregnant at age thirteen, a reality only compounded by the fact that her father, Bishop T.D. Jakes, was one of the most influential megachurch pastors in the nation. As a teen mom and a high-profile preacher's kid, her road was lonely. She was shunned at school, gossiped about at church. And a few years later, when a fairy-tale marriage ended in a spiral of hurt and rejection, she could have let her pain dictate her future. Instead, she found herself surrounded by a God she'd given up on, crashing headlong with Him into a destiny she'd never dreamed of. Sarah's captivating story, unflinchingly honest and deeply vulnerable, is a vivid reminder that God can turn even the deepest pain into His perfection. More than a memoir, *Lost and Found* offers hope and encouragement. Perhaps you, like Sarah, find yourself wandering the detours of life. Regardless of how lost you feel, you, too, can be found.

From Dream to Destiny *Baker Books*

Do Your Dreams Seem Out of Reach? If you have a dream, then you have a destiny. In his inspiring new book, *From Dream to Destiny*, Robert Morris prompts you to ask yourself, How do I travel from the dream to the destiny--and what happens on the way? Each of us is given a dream by God--it's the notion that sets our hearts racing by the mere thought of it. Unfortunately, most people never see their dream come to pass, so they never fulfill the destiny that God has in store for them. Robert Morris tells

readers exactly how to make their dream into the reality for which they long. Using the example of Joseph in the Old Testament, Pastor Robert shows how God gave Joseph a dream and then promptly took him through 10 character-building tests that lasted 13 years. These tests assessed Joseph's strengths and weaknesses--from pride to purity--and they are the same tests that each of us must pass before God lets us realize our dream. Find out what the tests are and if you are passing or failing them, and get ready to begin fulfilling the destiny that God has in store for you.

A Chosen Destiny

My Story *Simon and Schuster*

In this thrilling, no-holds-barred memoir that shows why he is “an inspiration to millions of WWE fans around the world” (Triple H), WWE Champion Drew McIntyre tells the incredible roller-coaster story of his life, from a small village in Ayrshire, Scotland, to the bright lights of WWE. From a young age, Drew McIntyre dreamed of becoming a WWE Champion and following in the footsteps of his heroes “Stone Cold” Steve Austin and The Undertaker. With his parents’ support, he trained and paid his dues, proving himself to tiny crowds in the UK’s Butlin circuit. At age twenty-two, McIntyre made his WWE debut and was touted by none other than WWE Chairman Vince McMahon as “The Chosen One” who would lead WWE into the future. With his destiny in the palms of his hands, Drew watched it all slip through his fingers. Via a series of ill-advised choices and family tragedy, Drew’s life and career spiraled. As a surefire champ, he struggled under the pressure of expectations and was fired from the company. But the WWE Universe had not seen the last of this promising athlete. Facing a crossroads, the powerful Scotsman set a course to show the world the real Drew McIntyre. Buoyed by the support of his wife, Kaitlyn, and the memory of his beloved mother, Drew embarked on a mission to recharge, reinvent, and revitalize himself to fulfill his destiny. This is a story of grit, courage, and determination as a fallen Superstar discovers who he truly is and

storms back to reclaim his dream.

The Little Zen Companion *Workman Publishing*

While it seeks neither to define Zen nor answer its most famous koan (a riddle unanswerable by conventional thinking, in this case the sound of one hand clapping), this bestselling little book with 437,000 copies in print possesses a maverick Zen spirit that points to a different way of looking at the world. With each page featuring a quote, phrase, story, koan, haiku, or poem, Zen Companion combines the feeling and format of a meditation book with 2,500 years of wisdom—from Lao-tzu and Groucho Marx, William Carlos Williams and The Little Prince, D. T. Suzuki and Walker Percy, the Buddha and the Bible, Einstein and Gertrude Stein. It's a celebration of intuition: "If a man wishes to be sure of the road he treads on, he must close his eyes and walk in the dark"—St. John the Cross. Individuality: "Do not seek to follow in the footsteps of the men of old; seek what they sought."—Basho. Uncomplicated nature: "Among twenty snowy mountains/The only moving thing/Was the eye of the blackbird."—Wallace Stevens. Childlike spontaneity: "Goodnight stars. Goodnight air."—Margaret Wise Brown. Irreverent paradox: "Wakuan complained when he saw a picture of bearded Bodhidharma: 'Why hasn't that fellow a beard?'" And above all, the simple pleasure of life lived in the moment. "Chop wood, carry water."

Find Your Why

A Practical Guide for Discovering Purpose for You and Your Team *Penguin*

Start With Why has led millions of readers to rethink everything they do – in their personal lives, their careers and their organizations. Now Find Your Why picks up where Start With Why left off. It shows you how to apply Simon Sinek's powerful insights so that you can find more inspiration at work -- and in turn inspire those around you. I believe fulfillment is a right and not a privilege. We are all entitled to wake up in the morning inspired to go to work, feel safe when we're there and return home fulfilled at the end of the day. Achieving that fulfillment starts with understanding exactly WHY we do what we do. As Start With Why has spread around the world, countless readers have asked me the same question: How can I apply Start With Why to my

career, team, company or nonprofit? Along with two of my colleagues, Peter Docker and David Mead, I created this hands-on, step-by-step guide to help you find your WHY. With detailed exercises, illustrations, and action steps for every stage of the process, Find Your Why can help you address many important concerns, including: * What if my WHY sounds just like my competitor's? * Can I have more than one WHY? * If my work doesn't match my WHY, what should I do? * What if my team can't agree on our WHY? Whether you've just started your first job, are leading a team, or are CEO of your own company, the exercises in this book will help guide you on a path to long-term success and fulfillment, for both you and your colleagues.
