Build the Person You Want to Be

The ORANGES toolkit *Exisle Publishing*

Throughout our lives we face many challenges, both personal and professional. Often, we struggle to know how best to cope and wish we had greater personal resources to draw upon. This book can help! Based on the science and principles of positive psychology, Build the Person You Want to Be provides you with the tools you need to foster greater resilience and mental wellbeing. The ORANGES toolkit focuses on the seven key elements that support human flourishing and meaning: Optimism, Resilience, Attitude, Now (mindfulness), Gratitude, Energy and Strengths. Through an exploration of the current research, it shows that if you can increase your positive emotions, engagement, relationships, meaning and accomplishments, you enhance the capacity to handle life’s challenges and reduce the impact of the things that hold you back, such as fears, anxieties and doubts. The book outlines ways to practise and build skills to re-orientate your thinking from ‘What is wrong?’ to ‘What is right?’ and, despite life’s adversities, to bounce back and thrive. Whether you want to improve your organization’s work culture or wish to bolster your own inner resources, the ORANGES toolkit will help you create a more meaningful life and boost resilience, optimism and mental wellbeing.

Born to Win *Struik Christian Media*

After Louis Brittz and his family became the victims of an armed robbery, abduction, death threats and rape, they experienced how, in Louis’s words, ‘By God’s grace we could walk out of that experience without any harm to our soul and spirit.’ They have experienced immediate wholeness and healing and people thought that they were either lying or possessed some kind of superpower. But Louis has realised that God had been teaching them for years to live according to certain principles. This, together with God’s presence, enabled them to deal with what had happened in such a remarkable way. Out of this experience Born to Win was born. We are born to win and everyone – from the most ordinary person to the super talented – can be a winner. It has been written into our DNA by God Himself. This book is not an action plan. It is an invitation to bring specific areas of your life before God and ask Him to change you. Neither is it a book that tries to deal with every little issue that could possibly improve your quality of life. It will not tell you what music to listen to, where to spend your holiday or how drinking green tea will aid digestion. Louis focusses on matters that he believes are essential for living in victory. It is a journey through God’s resources to change his children into winners. Louis discusses topics such as: • Winners have lost everything • Winners are able to forget • Winners know who they are • Winners ask the hard questions • Winners can master their thoughts • Winners are baggage free Born to Win offers you a blueprint of the things that

differ in the life of a winner from that of someone else, and will enable you to be more than a conqueror in all circumstances.
