Boundaries and Easements | Landlord & Tenant

An easement on your property means another party has a right to cross or use your land for a specified purpose. There are two main types of easement: a carriageway easement (which will be registered on your title) and a utilities or drainage easement where gas, electricity, telecommunications or water workers need access to pipes or cabling. "If you have an easement on your property benefitting your neighbour, you cannot prevent or hinder your neighbour from using it," says conveyancing ...

An easement may be created in a number of ways. One is by express grant . In this case there may be a Deed of Grant that

states the terms of the easement, or the grant may take the form of a clause in a conveyance deed or a transfer deed. An easement may be created of necessity. Thus a parcel of land will have a right of way of necessity over a road, track or path leading to it if that route is the only means of access between the public highway and that parcel of land.

Easements - Boundary Problems

Easements and boundaries are important. Before you buy any property, make sure you find out from your local council if any easements exist on the land or house you purchase. If you have any doubts about where the boundaries lie, hire a surveyor to check and redraw your boundary lines. It's always better to be safe than sorry.
