Competency Based Skill Integration Training

Competency-Based Skill Integration Training. Roth, Cathy The resource manual was developed by a staff development project that trained both paid staff and volunteer tutors to integrate CASAS (Comprehensive Adult Student Assessment System) as an assessment and curriculum tool.

LINKS from Learning to Life. Competency-Based Skill ...

The competency-based learning method focuses on learning goals, the acquisition of a new skill for example. Good implementations use real-world situations that the learner can connect to/understand (e.g., their work life, profession) which is proven to increase their engagement in learning, plus it deepens their learning, and the retention of the material is increased.
