How Should We Then Live?

The Rise and Decline of Western Thought and Culture *Crossway*

Francis Schaeffer's Classic Analysis of the Rise and Decline of Western Thought and Culture Civilizations throughout history have built societies around their own limited value systems including rulers, finite gods, or relativism—only to fail. The absence of a Christian foundation eventually leads to breakdown, and those signs are visible

in present-day culture as well. Can modern society avoid the same fate? In this latest edition of *How Should We Then Live?*, theologian Francis A. Schaeffer traces the decline of Western culture from the fall of Rome, through the Middle Ages and the Enlightenment, and up to the twentieth century. Studying humanism's impact on philosophy, science, and religion, he shows how this worldview historically results in apathy, chaos, and decline. Schaeffer's important work calls on readers to live instead by Christian ethics, placing their trust in the infinite personal God of the Bible. Originally written in 1976, *How Should We Then Live?* remains remarkably applicable today.

How Should We Then Live? (L'Abri 50th Anniversary Edition)

The Rise and Decline of Western Thought and Culture *Crossway*

As one of the foremost evangelical thinkers of the twentieth century, Francis Schaeffer long pondered the fate of declining Western culture. In this brilliant book he analyzed the reasons for modern society's state of affairs and presented the only viable alternative: living by the Christian ethic, acceptance of God's revelation, and total affirmation of the Bible's morals, values, and meaning.

Special 50th anniversary L'Abri Fellowship edition. Schaeffer's seminal work which analyzed the reasons for modern society's state of affairs and presented living a Christ-centered life as the only viable alternative

The Great Evangelical Disaster *Crossway*

Have Christians compromised their stand on truth and morality until there is almost nothing they will speak out against? Has the evangelical church itself sold out to the world? A provocative and challenging book—but one that is tempered by Dr. Schaeffer's deep commitment to Christ and love for the church.

Escape from Reason *InterVarsity Press*

Truth is no longer based on reason. What we feel is now the truest reality. Yet despite our obsession with the emotive and the experiential, we still face anxiety, despair, and purposelessness. Tracing trends in twentieth century thought, Francis A. Schaeffer shows that Christianity offers meaning where there is purposelessness and hope where there is despair.

Whatever Happened to the Human Race? *Crossway*

"If a mother can kill her own children, then what can be next?" Mother Teresa once asked. What indeed? Once the value of human life has been depreciated, as in *Roe v. Wade* and the Baby Doe Case, no one is safe. Once

"quality of life" is substituted for the absolute value of human life itself, we all are endangered. Already respected scientists are calling for a time period following birth (a week or so) to decide if newborns have "sufficient quality of life" to be allowed to live. Already committees of "medical professionals" would like to decide whether the "quality of life" of the elderly or anyone seriously ill is high enough to allow them to go on living. In this moving book, the renowned pediatric surgeon and Surgeon General of the United States, C. Everett Koop, M.D., joins with one of the leading Christian thinkers of our day, Francis A. Schaeffer, to analyze the widespread implications and frightening loss of human rights brought on by today's practices of abortion, infanticide, and

euthanasia. They see the present as a crucial turning point. Choices are being made that undermine human rights at their most basic level. Practices once labeled "unthinkable" are now considered acceptable. The destruction of human life, young and old, is being sanctioned on an ever-increasing scale by the medical profession, by the courts, by parents, and by silent citizens. "But what can I do?" you ask. "I'm just one person." You can start by reading this book. Yes, it will shock you. And it will make you weep. But it will also help you see how you can actually make a difference.

The Mark of the Christian *InterVarsity Press*

Christians have not always presented an

inviting picture to the world. Too often we have failed to show the beauty of authentic Christian love. And the world has disregarded Christianity as a result. Francis A. Schaeffer challenges Christians to respond compassionately to a needy world and to show the mark of Christ in all their actions.

Genesis in Space and Time *InterVarsity Press*

Challenging modern skepticism, Francis A. Schaeffer shows why Genesis provides solid ground for answering the questions of humanity's origin and purpose.

True Spirituality *Tyndale House Publishers, Inc.*

Francis Shaeffer had been serving as a pastor for over a decade when he began

to wonder if Christianity really made a difference in people's lives. True Spirituality, a twentieth-century spiritual classic, outlines the result of his effort to "start at the beginning" and re-examine his faith. The book is a treasure trove of wisdom for Christians trying to discover what true spirituality looks like in everyday life. Includes a foreword by Chuck Colson and an introduction by Dr. Jerram Barrs, director of the Schaeffer Institute.

In this collection of Francis Schaeffer's letters, the personal, spiritual, and practical side of Dr. Schaeffer's work comes shining through so clearly. The Francis A. Schaeffer Trilogy

The Three Essential Books in One Volume *Crossway*

Be Sure of Your Salvation No one can grow spiritually who lacks the assurance of his salvation. Feeling that you're a Christian or hoping that you're destined for Heaven will never give peace of mind that you're right with God. The Bible

teaches that the person who has received Jesus Christ as Savior should know that he has: Assurance of salvation. "But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name" (John 1:12). Forgiveness of Sin. "If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness" (1 John 1:9). Certainty of eternal life. "These things have I written unto you that believe on the name of the Son of God; that ye may know that ye have eternal life" (1 John 5:13). Follow God's Guidebook The Bible is a living book written by a loving God. In it He provides basic principles, guidance and inspiration for living. Set aside a time to read the Bible each day. Start with

reading at least one chapter from the Gospel of John at a sitting. Then read Acts and Romans before returning to the other Gospels. Ask God to help you understand and obey what He teaches you. As you read, ask yourself these questions: What are the main truths in this chapter? What do I learn about God the Father, Jesus Christ, or the Holy Spirit? Is there an example for me to follow? A sin to avoid? A promise to claim? Then talk to God in prayer about what you have discovered. Praise Him for what you learn about Him. Confess sin revealed in your life. Bring Him your needs and the needs of others. Thank Him for His promises. Grow with Other Christians As a member of God's family, fellowship in a local church is important for your spiritual growth. Ask God to lead

you to a church where you can learn from the Bible and share in worship and prayer and service. When considering a suitable church, look for one which teaches that the Bible is God's Word, our final authority, and that Jesus Christ is the Son of God, who died and rose again for our salvation. Make Christ Lord of Your Life Turn from sin. Jesus Christ is your new Master. He has freed you from slavery to your sin nature. You will still be tempted to sin, but now you have the supernatural power to resist it. Daily discover more of His power by asking God to cleanse you from sin and empower you with His Spirit. Victory over sinful thoughts and habits will not come automatically. Walk by faith and obedience, and you will learn how to please Him. Pray often. Prayer is your

lifeline to God. Talk with God throughout the day. Take all your problems to Him. He is interested in everything you do. Don't let sin discourage and defeat you. If you sin, be quick to confess and claim Christ's blood-bought forgiveness. Share your faith. Share Christ with others. A vital Christian life is contagious. Serve Christ wholeheartedly. Look for opportunities to serve Him in your church and daily life. He can turn even the most ordinary tasks into ways to glorify Him.

How Now Shall We Live? *Tyndale House Publishers, Inc.*

2000 Gold Medallion Award winner! Christianity is more than a personal relationship with Jesus Christ. It is also a worldview that not only answers life's

basic questions—Where did we come from, and who are we? What has gone wrong with the world? What can we do to fix it?—but also shows us how we should live as a result of those answers. *How Now Shall We Live?* gives Christians the understanding, the confidence, and the tools to confront the world's bankrupt worldviews and to restore and redeem every aspect of contemporary culture: family, education, ethics, work, law, politics, science, art, music. This book will change every Christian who reads it. It will change the church in the new millennium.

16 Encouraging Sermons on Human

Weakness and God's Sufficiency by Francis Schaeffer Most Christians take an honest look at themselves and conclude that their limited talents, energy, and knowledge mean that they don't amount to much. Some even ask, Can I really make a difference? Francis A. Schaeffer counters this claim with truth from the Bible, arguing that with God there is no such thing as little people. *No Little People* contains sixteen sermons from Schaeffer that explore the weakness and significance of humanity in relationship to the infinite and personal God. The focus of this collection is the lasting truth of the Bible, the faithfulness of God, the sufficiency of the work of Christ, and the power of the Spirit. Readers will be encouraged by the value that God places on each person made in his image to

accomplish his redemptive plan.

By the time he was nineteen, Frank Schaeffer's parents, Francis and Edith Schaeffer, had achieved global fame as bestselling evangelical authors and speakers, and Frank had joined his father on the evangelical circuit. He would go on to speak before thousands in arenas around America, publish his own evangelical bestseller, and work with such figures as Pat Robertson, Jerry Falwell, and Dr. James Dobson. But all the while Schaeffer felt increasingly alienated, precipitating a crisis of faith that would ultimately lead to his departure—even if it meant losing everything. With honesty, empathy, and humor, Schaeffer delivers “a brave and

important book" (Andre Dubus III, author of *House of Sand and Fog*)—both a fascinating insider's look at the American evangelical movement and a deeply affecting personal odyssey of faith.

Truth with Love

The Apologetics of Francis Schaeffer *Crossway*

Francis Schaeffer was a well-known,

extremely influential apologist and thinker who made his mark defending orthodox truth in the face of strong opposition. He was foremost in the vocation of apologetic ministry, and he was a brilliant man whom God used mightily during the decades of the 1960s, 70s, and 80s. In *Truth with Love*, Bryan Follis explores the theology and thinking that fueled the ministry of Francis Schaeffer, from his Reformed position to his understanding of fundamentalism. Follis examines Schaeffer's apologetic argument and the role of reason in his discussions and writings. The position Francis Schaeffer took against modernism and its applicability in this day of postmodernism are studied as well. This book is a beneficial resource for any

Francis Schaeffer fan and any minister, teacher, or student who appreciates truth and its defense in the face of different kinds of opposition.

Why You Think the Way You Do

The Story of Western Worldviews from Rome to Home *Zondervan*

People often talk about worldview when describing the philosophy that guides their lives. But how have we come by our worldviews, and what impact did Christianity have on those that are common to Western civilization? This authoritative, accessible survey traces the development of the worldviews that underpin the Western world. It demonstrates the decisive impact that the growth of Christianity had in

transforming the outlook of pagan Roman culture into one that, based on biblical concepts of humanity and its relationship with God, established virtually all the positive aspects of Western civilization. The two-pronged assault in our time on the biblically based worldview by postmodern philosophy and the writings of neo-atheists has made it even more crucial that we acknowledge and defend its historical roots. Unique among books on the topic, this work discusses Western worldviews as a continuous narrative rather than as simply a catalogue of ideas, and traces the effects changes in worldview had on society. It helps readers understand their own worldviews and those of other people and helps them recognize the

consequences that worldviews hold. Professors, students, and armchair historians alike will profit from this book.

How Then, Shall We Live?

Four Simple Questions That Reveal the Beauty and Meaning of Our Lives *Bantam*

We all long to experience a sense of inner wholeness and guidance, but today's notions of healing and recovery too often keep us focused on our brokenness, on our deficiencies rather than our strengths. Wayne Muller's luminous new book gently guides us to the place where we are already perfect, already blessed with the wisdom we need to live a life of meaning, purpose and grace. He starts, as do so many spiritual teachers, with simple questions: Who am I? What do I love? How shall I live, knowing I will die? What is my gift to the family of the earth? He then takes

us deeper, exploring each question through transformative true stories. We meet men and women--Wayne's neighbors, friends, patients--who have discovered love, courage, and kindness even in the midst of sorrow and loss. And through them we glimpse that relentless spark of spiritual magic that burns within each of us. Woven throughout are contemplations, daily practices, poems, and teachings from the great wisdom teachings. Page by page, we become more awake to the joy and mystery of this precious human life, and to the unique gifts every one of us has to offer the world.

Understand where we came from. Whether you're an avid student of the Bible or a skeptic of its relevance, *The Book That Made Your World* will transform your perception of its influence on virtually every facet of Western civilization. Indian philosopher

Vishal Mangalwadi reveals the personal motivation that fueled his own study of the Bible and systematically illustrates how its precepts became the framework for societal structure throughout the last millennium. From politics and science, to academia and technology, the Bible's sacred copy became the key that unlocked the Western mind. Through Mangalwadi's wide-ranging and fascinating investigation, you'll discover: What triggered the West's passion for scientific, medical, and technological advancement How the biblical notion of human dignity informs the West's social structure and how it intersects with other worldviews How the Bible created a fertile ground for women to find social and economic empowerment How the Bible has uniquely equipped the West to

cultivate compassion, human rights, prosperity, and strong families. The role of the Bible in the transformation of education. Therefore, it is most refreshing to encounter this engaging and informed assessment of the Bible's profound impact on the modern world. Where Bloom laments the closing of the American mind, Mangalwadi brings a refreshing optimism." (Stanley Mattson, founder and president, C. S. Saving Leonardo

A Call to Resist the Secular Assault on Mind, Morals, and Meaning *B&H Publishing Group*

Is secularism a positive force in the modern world? Or does it lead to fragmentation and disintegration? In *Saving Leonardo*, best-selling award-winning author Nancy Pearcey (Total Truth, coauthor *How Now Shall We Live?*) makes a compelling case that secularism is destructive and dehumanizing. Pearcey depicts the revolutionary thinkers and artists, the ideas and

events, leading step by step to the unleashing of secular worldviews that undermine human dignity and liberty. She crafts a fresh approach that exposes the real-world impact of ideas in philosophy, science, art, literature, and film--voices that surround us in the classroom, in the movie theater, and in our living rooms. A former agnostic, Pearcey offers a persuasive case for historic Christianity as a holistic and humane alternative. She equips readers to counter the life-denying worldviews that are radically restructuring society and pervading our daily lives. Whether you are a devoted Christian, determined secularist, or don't know quite where you stand, reading *Saving Leonardo* will unsettle established views and topple ideological idols. Includes more than 100

art reproductions and illustrations that bring the book's themes to life. Praise for *Saving Leonardo*: "A feast for the mind and for the eye. Nancy Pearcey not only is a trustworthy guide for a nuanced discussion on the relationship between culture and the gospel, but she is a gifted teacher as well . . . *Saving Leonardo* is a rare, precious gift to the churches and universities alike." Makoto Fujimura, artist and author of *Refractions: A Journey of Faith, Art, and Culture* "Nancy Pearcey has done it again and better than ever. An astounding accomplishment!" James W. Sire, author of *The Universe Next*

Door "G. K. Chesterton said 'the danger when Men stop believing in God is not that they'll believe in nothing; but that they will believe in anything.' Nancy Pearcey understands where believing in anything leads and in this book she reveals where a secular philosophy is taking us. A balanced, fair, and impacting work!" Cal Thomas, syndicated and USA Today columnist "Nancy Pearcey helps a new generation of evangelicals to understand the worldview challenges we now face and to develop an intelligent and articulate Christian understanding . . . *Saving Leonardo* should be put in the hands of all those who should always be ready to give an answer--and that means all of us." R. Albert Mohler, Jr., president, The Southern Baptist Theological Seminary

"Nancy Pearcey is an intellectual prophet in our day and one of Evangelicalism's foremost cultural observers. *Saving Leonardo* is a tour de force. In it, Pearcey provides a penetrating analysis of the nature of contemporary secularism, a helpful exposition of how we got to the present situation, and a well-crafted strategy for changing the situation. This is her best effort yet . . . a must read." J. P. Moreland, distinguished professor of Philosophy, Biola University and author of *The God Question* "Nancy Pearcey is unsurpassed in the current generation of Christian thinkers . . . The magic continues with this book. Pearcey's virtues as a writer and thinker are once again fully evident in the range of material that she has mastered, the encyclopedic collection of data that she

presents, and the analytic rigor with which she separates truth from error in worldviews. She is a prophetic voice for contemporary Christians." Leland Ryken, Clyde S. Kilby professor of English, Wheaton College "Brilliant . . . The book brings complex, abstract ideas down-to-earth -- or rather, down-to-life. . . . *Saving Leonardo* bridges the gaps between the arts and the sciences, the theoretical and the practical. The book not only argues for the unity of Christian truth but exemplifies that unity and shows it in action." Gene Edward Veith, provost, Patrick Henry College

Mathematics

Is God Silent?

This book revolutionizes the prevailing understanding and teaching of math. This book is a must for all upper-level Christian school curricula and for college students and adults interested in math or related fields of science and religion.

It will serve as a solid refutation for the claim, often made in court, that mathematics is one subject which cannot be taught from a distinctively biblical perspective. - Back cover.

Being Human

The Nature of Spiritual Experience

IVP Academic

Who is right about what it means to be human? The Greeks envisioned an ideal humanity. Their ethereal sculptures depict a transcendent, spiritual model. But today many scientists view human beings as mere machines. And some believe we will be able to make machines with human-like intelligence in the near future. The biblical view of humanity is different from both of these.

For the writers of Scripture, to be human is to be in the image of God. Guided by this view, Ranald Macaulay and Jerram Barrs discuss the nature of spiritual experience. As the pursuit of true spirituality takes us away from sinfulness, it moves us closer to what God intended us to be. When we are truly spiritual, we are fully human. Macauley and Barrs begin by stressing the centrality of Christ. Then they distinguish between self and the

sinfulness of self, argue for using our minds in spiritual matters, and illuminate the many ways God guides us. Their chapter on the family discusses the vexed issue of authority. And they conclude with a look at the evidence, judgment, hope, joy and reward of faith. In short, this book, now back in print due to ongoing demand, presents an integrated model for what human beings really are.
