Coraline Colasse - Art director & Designer from Paris

An art director's main concern is to inspire and guide their team so that each and every component of a project will come together to produce an appealing visual whole. The Publishing Industry In publishing, art directors typically work with the publication's editor(s) and oversee the concept for specific sections and page layouts of catalogs, newspapers, or magazines.

What does an art director do? - CareerExplorer

Except in the smallest organizations, the art director/copywriter team is overseen by a creative director, senior media creative, or chief creative director. In a large organization, an art director may oversee other art directors and a team of junior designers, image developers, and/or production artists, and coordinates with a separate production department. In a smaller organization, the art director may fill all these roles, including oversight of printing and other production.

Art director - Wikipedia

Art Director responsibilities include: Generating clear ideas and concepts in tandem with the copywriter Producing sketches, storyboards, art layouts based on creative visions and ideas Understanding marketing initiatives, strategic positioning and target audience

The government has announced that all leisure and entertainment venues, including museums and galleries must close from Thursday until at least 2 December to help contain the rapid spread of Covid-19. In line with this, The Hepworth

Wakefield will now be closed until further notice. We apologise for any disappointment this may cause. The Hepworth Wakefield Garden will remain open and free to ...

The Hepworth Wakefield

I have a few go-tos that I regularly check. For print design, I enjoy Coverjunkie. It's an up-to-date collection of print covers from around the world; a passion project by Jaap Biemans, who is also an Art Director at De Volkskraant. It's for print, by print. I also listen to The Stack from time to time. It's a podcast by Monocle about the current state of print and allows me to hear about magazines I might not know about, straight from the people that make them.
