Safety with Sensory Activities. Sensory activities must always be closely supervised with infants! It doesn't matter how mouth safe, non-toxic, or edible a material is, sensory play REQUIRES close supervision. Infants put everything in their mouths, and that's okay, but it does mean they have to be watched closely (but you already know this!).

Light Table. The fall leaves and pinecones theme is a perfect time to explore colors. I created a fall sensory bag by placing artificial autumn maple leaves to a gallon size freezer bag and added clear dish soap and various sequins. I then taped it securely to the light table and added some tissue paper leaves.
