The Religion of Democracy | Reading Religion

Democracy is not fairness or justice. Democracy can't even be about equality, because if we were all equal, there couldn't be a government with authority over others. No, democracy is a form of government, and therefore it is just about control. And democracy is about having enough people, even numbers, to force oneself on others.

The Religion of Democracy: Seven Liberals and the American ...

Separation of religion and state is required to protect freedom and ensure equality. As many countries, including the United States incorporate religion into their legislation, it could be argued as to what constitutes a secular democracy. From the Legal point of view, democracy can never enjoy general acceptance in a religious society. Anything outside of rigid interpretation of religious texts is rejected and God rather than the people is sovereign.
