High Wizardry Young Wizards 3

There is so much science fiction in High Wizardry, the third book in Diane Duane's wonderful Young Wizards series, that it barely counts as fantasy. Which is entirely awesome; this is the Diane Duane whose name I saw with pleasure and anticipation on those Star Trek novels of my youth, except even more cosmic. More cosmic in every possible way.

High Wizardry (Young Wizards #3) by Diane Duane

The Young Wizards series is the only series that I've ever been able to get past book three on (I've read all nine.) Book three, High Wizardry, is my favorite, I read it

several years ago and it was just as thrilling the second time. 5.0 out of 5 stars but I really enjoyed it.
