Philosophical Problems of Law Flashcards

Philosophers of law are also concerned with a variety of philosophical problems that arise in particular legal subjects, such as constitutional law, Contract law, Criminal law, and Tort law. Thus, philosophy of law addresses such diverse topics as theories of contract law , theories of criminal punishment, theories of tort liability, and the question of whether judicial review is justified.

Philosophy of law - Wikipedia

This chapter discusses the problems of the philosophy of law. It is more important to distinguish certain groups of questions as belonging to the philosophy of law. Three such groups of problems may be distinguished: problems of definition and analysis, problems of legal reasoning, and problems of the criticism of law.

Problems of the Philosophy of Law - Oxford Scholarship

Philosophy of law (or legal philosophy) is concerned with providing a general philosophical analysis of law and legal institutions. Issues in the field range from abstract conceptual questions about the nature of law and legal systems to normative questions about the relationship between law and morality and the justification for various legal institutions.

Philosophical Problems in the Law by David M. Adams (2012 ...

Because of its universal nature, a law can sometimes fail to apply, or apply only indeterminately, to a novel case unforeseen by the legislator. The problem here, Aristotle said, is not in the law or in the lack of foresight by the lawmaker but rather in the “nature of the case.”.
