The Bad Mother by Amanda Brooke is a psychological thriller about a married couple awaiting the birth of their first child. Lucy is anxious and confused because she is getting very forgetful and blames her hormones for this. Her husband is worried that she will be unable to cope with the new baby.

**The Bad Mother by Amanda Brooke - Goodreads**

Is she a bad mother, or just a mother having to deal with too many situations at once, any one of which would be quite a lot to deal with

if they had come alone. I found it a fairly well observed tale of how a life can turn upside down in a moment, when all that is certain in life proves to be false. When she is given the information which ...

The Bad Mother is a rather chilling tale of expectations and realities of becoming a new mother. Lucy is expecting her first baby but rather than all the excitement of buying all the baby things and decorating

its room, Lucy is worrying about lapses in her memory, a complete loss of confidence and her capabilities of looking after a new baby.
