Our most comprehensive guide to the causes and events which led to this catastrophic outcome is the work in Greek by Josephus, known as The Jewish War. It covers the period of 200 years before

the great revolt of AD 66 to the final defeat of the last rebel stronghold at Masada some seven years later, and deals with it at length and in great detail, interweaving political and military history, including that in Rome itself, with religious, racial and economic perspectives.

The five stars are for the translator. Josephus is what he is: a first century Jew, soldier, historian, and opportunist. Without him we have virtually no record of the first thirty years of the Church, or the lead-up, execution, and clean-up of the Jewish rebellion against Rome, the most horrendous experience any nation, before or since, says the author - the worst possible war.
