ASL at Work

Student Text *Dawn Sign Press*

Divided into 16 instructional units, ASL at Work is designed to enable students to develop the skills and knowledge needed to communicate effectively with their Deaf co-workers, students, and clients in work and social settings. Each instructional unit in the Student Text has a Unit Overview with learning outcomes, a listing of vocabulary, full grammatical and language, culture and community explanations and a

practice and review section with accompanying DVD which provides students with targeted outside of the classroom practice to develop expressive and receptive skills. The Student Text is beautifully illustrated throughout with clearly drawn sign grammatical and vocabulary illustrations. Each unit on the ASL at Work: Student DVD provides a Sample Expressive Dialogue, Comprehension Dialogues and Narratives and demonstration of Expressive Practice Prompts to give students practice outside of the classroom with both receptive and expressive skills. CJ Jones, Deanna Bray,

Rosa Lee Timm and other well known Deaf talent provide a variety of ASL models for students on the DVD. From the first lesson, ASL is "at work" for both the teacher who is teaching American Sign Language and the students who are learning ASL. - Publisher.

Know That...

Quotes from Deaf Women for a Positive Life *Dawn Sign Press*

This treasury of quotes from deaf women about life, love, and overcoming multifaceted challenges provides a resource for those seeking inspiration and understanding. Compiled from contributions from women of all walks of

life—young and old, single and married, straight and lesbian, soccer moms and single mothers, women of color—this collection recognizes the gender-specific barriers that women confront daily and offers gender-specific strengths for overcoming them. Also a beginning point of unity for deaf women everywhere, these bits of wisdom address the need to pull together, share the vision and resources needed for empowerment, embrace diversity, and contribute to life each day in small ways.

Signing Naturally

Aani and the Tree Huggers *Paw Prints*

Horried by the people who have come to cut down their forest homeland, Aani and

other women from her village try to make them understand how important the trees are, and a single act of bravery helps save the forest

Fundamentals of Evaluating Sign Language Programs

Checklists for Program

Assessment *Dawn Sign Press*

Designed for administrators and sign language teachers, *Fundamentals of Evaluating Sign Language Programs* includes detailed checklists and clear explanations for self-evaluations leading to improved programs. Dr. Michael Kemp, a Gallaudet University professor of American Sign Language, Linguistics, and

Interpretation, provides the tools for program coordinators to review their programs and make necessary adjustments within eight areas: personnel selection, curriculum, placement interview, media utilization, teachers' performance, environmental aspects, supervisory effectiveness, and budget. A nationwide upgrading of professional standards of ASL programs is a long-standing goal of American Sign Language teachers. Fundamentals of Evaluating Sign Language Programs is the one-of-a-kind, must-have response to that goal.

**Introduction to
American Deaf
Culture** *Oxford
University Press*

Introduction to American Deaf Culture provides a fresh perspective on what it means to be Deaf in contemporary hearing society. The book offers an overview of

Deaf art, literature, history, and humor, and touches on political, social and cultural themes.

**ASL-to-English
Interpretation**

**Say It Like They
Mean It** *Createspace
Independent Publishing
Platform*

The focus of ASL to English: Say it Like They Mean It, is not about how we, the interpreters, think the English interpretation should be presented, but rather, how would an English speaking consumer with no understanding of Deaf Culture best understand the voiced message. The task of producing an appropriate interpretation from ASL to English is often noted as being the

more difficult of the two interpreting tasks. With only two years in most interpreter education programs, students may not have a full comprehension of what is expected in ASL to English interpretation. This book looks at difficulties and issues that can arise as interpreters work between ASL and English, with exercises at the end of every chapter. ASL to English Interpretation: Say It Like They Mean It will not only give students currently studying interpreting an opportunity to learn how to interpret from ASL to English, but will also give students the opportunity to discuss and work on the task of the English interpretation with their teacher and

fellow students. This book is identical to ISBN 0-916883-38-8, it is just perfect-bound instead of spiral-bound, which required a new ISBN.

Consecutive Interpreting from English *Dawn Sign Press*

The Deaf Community in America

History in the Making *McFarland*

The deaf community in the West has endured radical changes in the past centuries. This work of history tracks the changes both in the education of and the social world of deaf people through the years. Topics include attitudes toward the deaf in Europe and America and the evolution of

communication and language. Of particular interest is the way in which deafness has been increasingly humanized, rather than medicalized or pathologized, as it was in the past. Successful contributions to the deaf and non-deaf world by deaf individuals are also highlighted. Instructors considering this book for use in a course may request an examination copy here.

The Gallaudet Dictionary of American Sign Language *Gallaudet University Press*

Created by an unparalleled board of experts led by renowned ASL linguist and poet Clayton Valli, *The Gallaudet Dictionary of American Sign Language*

contains over 3,000 illustrations. Each sign illustration, including depictions of fingerspelling when appropriate, incorporates a complete list of English synonyms. A full, alphabetized English index enables users to cross-reference words and signs throughout the entire volume. The comprehensive introduction lays the groundwork for learning ASL by explaining in plain language the workings of ASL syntax and structure. It also offers examples of idioms and describes the antecedents of ASL, its place in the Deaf community, and its meaning in Deaf culture. This extraordinary reference also provides a special section on

ASL classifiers and their use. Readers will find complete descriptions of the various classifiers and examples of how to use these integral facets of ASL. The Gallaudet Dictionary of American Sign Language is an outstanding ASL reference for all instructors, students, and users of ASL. *Please note that this paperback edition does not include the DVD found in the hardcover edition.

Signing Naturally
