Distributive justice encompasses the principles that 'ought' to regulate the distribution of societal resources ('goods' and 'bads') to individuals or groups in different social spheres (like, economy, health, education).

Justice in Teaching | SpringerLink

The Education for Justice (E4J) initiative seeks to prevent crime and promote a culture of lawfulness through education activities designed for primary, secondary and tertiary levels. These activities help educators teach the next generation to better understand and address problems that can undermine the rule of law and encourage students to actively engage in their

communities and future professions in this regard.

Education for Justice

Justice is the concept of fairness. Social justice is fairness as it manifests in society. That includes fairness in healthcare, employment, housing, and more. Discrimination and social justice are not compatible. While “social justice” as a term sees widespread use these days, it’s not new.
