The Last Confessions of Mara Dyer and Noah Shaw *Simon &*

Schuster Children's

Breathing Room *Macmillan*

In 1940, thirteen-year-old Evvy Hoffmeister and her newfound friends struggle to get well at Loon Lake Sanatorium, where they are being treated for tuberculosis.

Drowning Instinct *Carolrhoda Lab* ®

There are stories where the girl gets her prince, and they live happily ever after. (This is not one of those stories.) Jenna Lord's first sixteen years were not exactly a fairy tale. Her father is a controlling psycho and her mother is a drunk. She used to count on her older brother—until he shipped off to Iraq. And then, of course, there was the time she almost died in a fire. There are stories where the monster gets the girl, and everyone cries for his innocent victim. (This is not one of those stories either.) Mitch Anderson is many things: A dedicated teacher and coach. A caring husband. A man with a certain...magnetism. And there are stories where it's hard to be sure who's a prince and who's a monster, who is a victim and who should live happily ever after. (These are the most interesting stories of all.) *Drowning Instinct* is a novel of pain, deception, desperation, and love against the odds—and the rules.

The Eternal Ones *Penguin*

Haven Moore can't control her visions of a past with a boy called Ethan and a life in New York that ended in fiery tragedy. In our

present, she designs beautiful dresses for her classmates with her best friend Beau. Dressmaking keeps her sane, since she lives with her widowed and heartbroken mother in her tyrannical grandmother's house in Snope City, a tiny town in Tennessee. Then an impossible group of coincidences conspire to force her to flee to New York, to discover who she is, and who she was. In New York, Haven meets Iain Morrow and is swept into an epic love affair that feels both deeply fated and terribly dangerous. Iain is suspected of murdering a rock star and Haven wonders, could he have murdered her in a past life? She visits the Ouroboros Society and discovers a murky world of reincarnation that stretches across millennia. Haven must discover the secrets hidden in her past lives, and loves, before all is lost and the cycle begins again.

Court of Lions *Flatiron Books*

Court of Lions is the long-awaited second and final installment in the “smart, sexy, and devilishly clever” *Mirage* series by Somaiya Daud (Renée Ahdieh, New York Times bestselling author of *The Beautiful*)! On a planet on the brink of revolution, Amani has been forced into isolation. She's been torn from the boy she loves and has given up contact with her fellow rebels to protect her family. In taking risks for the rebel cause, Amani may have lost Maram's trust forever. But the princess is more complex than she seems, and now Amani is once more at her capricious nature. One wrong move could see her executed for high treason. On the eve of Maram's marriage to Idris comes an unexpected proposal: in exchange for taking her place in the festivities, Maram will keep Amani's rebel associations a secret. Alone and desperate, Amani

is thrust into the center of the court, navigating the dangerous factions on the princess's behalf. But the court is not what she expects. As a risky plan grows in her mind, and with the rebels poised to make their stand, Amani begins to believe her world might have a future. But every choice she makes comes with a cost. Can Amani risk the ones she loves the most for a war she's not sure she can win?

Her Dark Curiosity *Harper Collins*

Inspired by *The Strange Case of Dr. Jekyll and Mr. Hyde*, this tantalizing sequel to Megan Shepherd's gothic suspense novel *The Madman's Daughter* explores the hidden natures of those we love and how far we'll go to save them from themselves. Perfect for fans of Libba Bray. Back in London after her trip to Dr. Moreau's horrific island, Juliet is rebuilding the life she once knew and trying to forget her father's legacy. But soon it's clear that someone—or something—hasn't forgotten her, as people close to Juliet start falling victim to a murderer who leaves a macabre calling card of three clawlike slashes. Has one of her father's creations also escaped the island? Her heart torn in two, her past bubbling to the surface, and her life threatened by an obsessive killer—Juliet will be lucky to escape alive.

Because while she can't see her own match, she can see his--and it's not Amber.
