TEACHING APOLOGETICS TO THE NEXT GENERATION

To be skilled in apologetics is to be able to give a defense of the Christian faith to someone who asks, or to someone who challenges your beliefs. Notice next that it says we are: "...always [to] be ready to give a defense to everyone who asks you a reason for the hope that is in you, with gentleness and respect"

Introduction To Christian Apologetics | Always Be Ready

1. Apologetics education must be geared towards the believer. This may seem obvious, but I have watched a teacher, who gets all the answers right, talk right over the heads of their students to the intellectual atheist who is not even in the room. My apologetics teacher was a master at taking the complex and making it understandable.

Five Tips for Teaching Christian Apologetics | SES

Not only do we need to teach general Bible apologetics in this age, but we also need to teach creation apologetics (dealing with the evolution /millions-of-years issues). Apologetics is an exciting area of study to help strengthen your faith, defend Christianity, and close the mouth of the attacking unbeliever.
