What Is Not Yours Is Not Yours Penguin

"Transcendent." —The New York Times Book Review "Flawless. . . another masterpiece from an author who seems incapable of writing anything that's less than brilliant." —NPR From the award-winning author of Boy, Snow, Bird and Peaces comes an enchanting collection of intertwined stories. Playful, ambitious, and exquisitely imagined, What Is Not Yours Is Not Yours is cleverly built around the idea of keys, literal and metaphorical. The key to a house, the key to a heart, the key to a secret—Oyeyemi's keys not only unlock elements of her characters' lives, they promise further labyrinths on the other side. In "Books and Roses" one special key opens a library, a garden, and clues to at least two lovers' fates. In "Is Your Blood as Red as This?" an unlikely key opens the heart of a student at a puppeteering school. "'Sorry' Doesn't Sweeten Her Tea" involves a "house of locks," where doors can be closed only with a key—with surprising, unobservable developments. And in "If a Book Is Locked There's Probably a Good Reason for That Don't You Think," a key keeps a mystical diary locked (for good reason). Oyeyemi's tales span multiple times and landscapes as they tease boundaries between coexisting realities. Is a key a gate, a gift, or an invitation? What Is Not Yours Is Not Yours captivates as it explores the many possible answers.

Mr. Fox Penguin

Winner of the Hurston/Wright Legacy Award for Fiction One of Granta's Best Young British Novelists From the prizewinning young writer of What Is Not Yours Is Not Yours, Gingerbread, and Peaces comes a brilliant and inventive story of love, lies, and inspiration. Fairy-tale romances end with a wedding, and the fairy tales don't get complicated. In this book, the celebrated writer Mr. Fox can't stop himself from killing off the heroines of his novels, and neither can his wife, Daphne. It's not until Mary, his muse, comes to life and transforms him from author into subject that his story begins to unfold differently. Mary challenges Mr. Fox to join her in stories of their own devising; and in different times and places, the two of them seek each other, find each other, thwart each other, and try to stay together, even when the roles they inhabit seem to forbid it. Their adventures twist the fairy tale into nine variations, exploding and teasing conventions of genre and romance, and each iteration explores the fears that come with accepting a lifelong bond. Meanwhile, Daphne becomes convinced that her husband is having an affair, and finds her way into Mary and Mr. Fox's game. And so Mr. Fox is offered a choice: Will it be a life with the girl of his dreams, or a life with an all-too-real woman who delights him more than he cares to admit? The extraordinarily gifted Helen Oyeyemi has written a love story like no other. Mr. Fox is a magical book, endlessly inventive, as witty and charming as it is profound in its truths about how we learn to be with one another.

It's Not Yours, It's Mine! *Child's Play International*

Vibrant debut picture book by Susanna Moores. Blika has a favourite toy, and doesn't want to share. A charming tale about friendship and sharing.

Gingerbread

A Novel Penguin

"Exhilarating...A wildly imagined, head-spinning, deeply intelligent novel." - The New York Times Book Review "[W]ildly inventive...[Helen Oyeyemi's] prose is not without its playful bite." -Vogue The prize-winning, bestselling author of Boy Snow Bird, What Is Not Yours Is Not Yours, and Peaces returns with a bewitching and imaginative novel. Influenced by the mysterious place gingerbread holds in classic children's stories, beloved novelist Helen Oyeyemi invites readers into a delightful tale of a surprising family legacy, in which the inheritance is a recipe. Perdita Lee may appear to be your average British schoolgirl; Harriet Lee may seem just a working mother trying to penetrate the school social hierarchy; but there are signs that they might not be as normal as they think they are. For one thing, they share

a gold-painted, seventh-floor walk-up apartment with some surprisingly verbal vegetation. And then there's the gingerbread they make. Londoners may find themselves able to take or leave it, but it's very popular in Druhástrana, the far-away (or, according to many sources, non-existent) land of Harriet Lee's early youth. The world's truest lover of the Lee family gingerbread, however, is Harriet's charismatic childhood friend Gretel Kercheval —a figure who seems to have had a hand in everything (good or bad) that has happened to Harriet since they met. Decades later, when teenaged Perdita sets out to find her mother's long-lost friend, it prompts a new telling of Harriet's story. As the book follows the Lees through encounters with jealousy, ambition, family grudges, work, wealth, and real estate, gingerbread seems to be the one thing that reliably holds a constant value. Endlessly surprising and satisfying, written with Helen Oyeyemi's inimitable style and imagination, it is a true feast for the reader.

The Battle is Not Yours *MSU Press*

This book is an inspiring true story of a life transformed. With extraordinary effort and an abiding trust in God, Rita J. Bunton transformed her life. Instead of succumbing to heroin addiction, which appeared likely, she found the strength to change everything. She not only got out of an abusive relationship, with her four young children in hand, but she enrolled in college, earned her degree, and eventually became a newspaper reporter, writer, and public information director. Her story is both remarkable and uplifting.

Boy, Snow, Bird

A Novel Penguin

As seen on the cover of the New York Times Book Review, where it was described as "gloriously unsettling... evoking Toni Morrison, Haruki Murakami, Angela Carter, Edgar Allan Poe, Gabriel García Márquez, Chris Abani and even Emily Dickinson," and already one of the year's most widely acclaimed novels: "Helen Oyeyemi has fully transformed from a literary prodigy into a powerful, distinctive storyteller...Transfixing and surprising."—Entertainment Weekly (Grade: A) "I don't care what the magic mirror says; Oyeyemi is the cleverest in the land...daring and unnerving... Under Oyeyemi's spell, the fairy-tale conceit makes a brilliant setting in which to explore the alchemy of racism, the weird ways in which identity can be transmuted in an instant — from beauty to beast or vice versa." – Ron Charles, The Washington Post From the prizewinning author of What Is Not Yours Is Not Yours, Gingerbread, and Peaces comes a brilliant recasting of the Snow White fairy tale as a story of family secrets, race, beauty, and vanity. In the winter of 1953, Boy Novak arrives by chance in a small town in Massachusetts looking, she believes, for beauty—the opposite of the life she's left behind in New York. She marries Arturo Whitman, a local widower, and becomes stepmother to his winsome daughter, Snow. A wicked stepmother is a creature Boy never imagined she'd become, but elements of the familiar tale of aesthetic obsession begin to play themselves out when the birth of Boy's daughter, Bird, who is dark-skinned, exposes the Whitmans as light-skinned African-Americans passing for white. And even as Boy, Snow, and Bird are divided, their estrangement is complicated by an insistent curiosity about one another. In seeking an understanding that is separate from the image each presents to the world, Boy, Snow, and Bird confront the tyranny of the mirror to ask how much power surfaces really hold. Dazzlingly inventive and powerfully moving, Boy, Snow, Bird is an astonishing and enchanting novel. With breathtaking feats of

imagination, Helen Oyeyemi confirms her place as one of the most original and dynamic literary voices of our time.

A Read with Jenna Today Show Book Club Pick! An instant New York Times bestseller! A USA Today bestseller! Named a Best Book of 2021 by Amazon • Esquire • Marie Claire • Refinery29 • Kirkus • Redbook • Ms. Magazine • The Millions • Undomesticated Magazine • Paperback Paris "A once-every-few-years reading experience."—Mary Beth Keane, New York Times bestselling author of *Ask Again, Yes* "Coster portrays her characters' worlds with startling vitality. As the children fall in lust and love, grapple with angst and battle the tides of New South politics, Coster's writing shines"—New York Times Book Review From the author of *Halsey Street*, a sweeping novel of legacy, identity, the American family—and the ways that race affects even our most intimate relationships. A community in the Piedmont of North Carolina rises in outrage as a county initiative draws students from the largely Black east side of town into predominantly white high schools on the west. For two students, Gee and Noelle, the integration sets off a chain of events that will tie their two families together in unexpected ways over the next twenty years. On one side of the integration debate is Jade, Gee's steely, ambitious mother. In the aftermath of a harrowing loss, she is determined to give her son the tools he'll need to survive in America as a sensitive, anxious, young Black man. On the other side is Noelle's headstrong mother, Lacey May, a white woman who refuses to see her half-Latina daughters as anything but white. She strives to protect them as she couldn't protect herself from the influence of their charming but unreliable father, Robbie. When Gee and Noelle join the school play meant to bridge the divide between new and old students, their paths collide, and their two seemingly disconnected families begin to form deeply knotted, messy ties that will shape the trajectory of their adult lives. And their mothers—each determined to see her child inherit a better life—will make choices that will haunt them for decades to come. As love is built and lost, and the past never too far behind, *What's Mine and Yours* is an expansive, vibrant tapestry that moves between the years, from the foothills of North Carolina, to Atlanta, Los Angeles, and Paris. It explores the unique organism that is every family: what breaks them apart and how they come back together.

The Black Prince of Florence

The Spectacular Life and Treacherous World of Alessandro de' Medici *Oxford University Press*

Ruler of Florence for seven bloody years, 1531 to 1537, Alessandro de' Medici was arguably the first person of color to serve as a head of state in the Western world. Born out of wedlock to a dark-skinned maid and Lorenzo de' Medici, he was the last legitimate heir to the line of Lorenzo the Magnificent. When Alessandro's noble father died of syphilis, the family looked to him. Groomed for power, he carved a path through the backstabbing world of Italian politics in a time when cardinals, popes, and princes vied for wealth and advantage. By the age of nineteen, he was prince of Florence, inheritor of the legacy of the grandest dynasty of the Italian Renaissance. Alessandro faced down family rivalry and enormous resistance from Florence's oligarchs, who called him a womanizer—which he undoubtedly was—and a tyrant. Yet this real-life counterpart to Machiavelli's Prince kept his grip on power until he was assassinated at the age of 26 during a late-night tryst arranged by his scheming cousins. After his death, his brief but colorful reign was criticized by those who had murdered him in a failed attempt to restore the

Florentine republic. For the first time, the true story is told in *The Black Prince of Florence*. Catherine Fletcher tells the riveting tale of Alessandro's unexpected rise and spectacular fall, unraveling centuries-old mysteries, exposing forgeries, and bringing to life the epic personalities of the Medicis, Borgias, and others as they waged sordid campaigns to rise to the top. Drawing on new research and first-hand sources, this biography of a most intriguing Renaissance figure combines archival scholarship with discussions of race and class that are still relevant today.

"Poignant, engrossing."—People • "Lisa Wingate takes an almost unthinkable chapter in our nation's history and weaves a tale of enduring power."—Paula McLain *Memphis*, 1939. Twelve-year-old Rill Foss and her four younger siblings live a magical life aboard their family's Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge—until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage, the Foss children are assured that they will soon be returned to their parents—but they quickly realize the dark truth. At the mercy of the facility's cruel director, Rill fights to keep her sisters and brother together in a world of danger and uncertainty. Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long-hidden history, on a path that will ultimately lead either to devastation or to redemption. Based on one of America's most notorious real-life scandals—in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country—Lisa Wingate's riveting, wrenching, and ultimately uplifting tale reminds us how, even though the paths we take can lead to many places, the heart never forgets where we belong. WINNER -- Best Military Book -- 2013 Next Generation Indie Book Awards WINNER -- Gold Medal for Historical Fiction / War -- 2013 Stars & Flags Book Awards Finalist -- First Novel -- 2013 Next Generation Indie Book Awards "Centerline is a thrilling, high-action page-turner that captures a story many Americans fail to appreciate-the sacrifices of our armed forces, their families, and the medical teams who support them. The tactical flight operations, ground combat scenes, and medical emergencies are real-not Hollywood-and the stories of wounded warriors and those waiting at home are unforgettable." - General Bill Begert, USAF (Ret), Former Commander, Pacific Air Forces Centerline tells the arresting story of the last leg of an emotional journey through the eyes of wounded warriors, crew, and medical caregivers making the trip home from military hospitals just before Christmas at the height of the surge in Iraq. Air Evac 1492 is the collective Air Force call sign for the flight. But each person on board has an individual story of hopes, dreams, fears, and regrets as the aircraft wings its human cargo through bad weather, flashbacks, and in flight emergencies. "Everybody who goes to war gets shot," one soldier says. "Some in the body. Some in the head. Some in the heart." This inspiring debut novel by Dave McIntyre (Ret COL USA) combines compelling technical descriptions of flying, combat, and medical care in-flight to drive the story through a rollercoaster ride of emotions as thirty-one "souls on board" travel through pain, loss, a killer storm, and the demons of the past to make it home for Christmas. Some travelers will fall short of the runway. And some will find the beacon that leads them home-back to the centerline.

She, for one, is fascinated by the controversial work, until her mother dies and her father marries Anna van Burren, who brings two new sisters into the family. Cindy's misery only grows from there. Now a man, Christian is a perfect specimen, and also the object of her step-sisters' affections. According to a stipulation of his inheritance, he must marry before age twenty-one. My Overdue Book

Too Many Stories Not to Tell *CreateSpace*

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience

numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military,

than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards
