American Enterprise The Law And

Title American enterprise, the law and the commercial use of space. Added Corporate Author National Legal Center for the Public Interest. Imprint Washington, D.C. : National Legal Center for the Public Interest, c1986-c1987.

American enterprise, the law and the commercial use of space.

In this integration of law and economic ideas, Herbert Hovenkamp charts the evolution of the legal framework that regulated American business enterprise from the time of Andrew Jackson through the first New Deal. He reveals the interdependent relationship between economic theory and law that existed in these decades of headlong growth and examines how this relationship shaped both the modern business corporation and substantive due process.
