How do you make an online choir work? - James Hawkins Music

A choir is a musical ensemble of singers. Choral music, in turn, is the music written specifically for such an ensemble to perform. Choirs may perform music from the classical music repertoire, which spans from the medieval era to the present, or popular music repertoire. Most choirs are led by a conductor, who leads the performances with arm and face gestures. A body of singers who perform together as a group is called a choir or chorus. The former term is very often applied to groups affiliate
