Navaho Weaving, Its Technic and History by Amsden, Charles ...

Navaho Indians probably adopted the art of weaving from captive Pueblo women in the early eighteenth century. They soon outstripped their teachers in the skill and quality of their work and today Navaho blankets, rugs and other items are known all over the world. In this profoundly illustrated, first in-depth study of the technical aspects of Navaho weaving, the author summarizes the long career of the loom and its prototypes in the prehistoric Southwest, describes and illustrates in detail ...

How to Weave a Navajo Rug and Other Lessons from Spider Woman is the first book of its kind

written by respected, award-winning Native American weavers, a perspective that is long overdue in the canons of how-to books. This book weaves together the stories of Spider Woman, the first teacher of the Diné, and the implicit connection of weaving to life, unity, and harmony.
