And if you ever before need assistance discovering the ideal book, our experienced staff is here to give personalized suggestions.

Beyond Freedom and Dignity *Hackett Publishing*

In this profound and profoundly controversial work, a landmark of 20th-century thought originally published in 1971, B. F. Skinner makes his definitive statement about humankind and society. Insisting that the problems of the world

today can be solved only by dealing much more effectively with human behavior, Skinner argues that our traditional concepts of freedom and dignity must be sharply revised. They have played an important historical role in our struggle against many kinds of tyranny, he acknowledges, but they are now responsible for the futile defense of a presumed free and autonomous individual; they are perpetuating our use of punishment and blocking the development of more effective cultural practices. Basing his arguments on the massive results of the experimental analysis of behavior he pioneered, Skinner rejects traditional explanations of behavior in terms of states of mind, feelings, and other mental attributes in favor of explanations to be sought in the

interaction between genetic endowment and personal history. He argues that instead of promoting freedom and dignity as personal attributes, we should direct our attention to the physical and social environments in which people live. It is the environment rather than humankind itself that must be changed if the traditional goals of the struggle for freedom and dignity are to be reached. *Beyond Freedom and Dignity* urges us to reexamine the ideals we have taken for granted and to consider the possibility of a radically behaviorist approach to human problems--one that has appeared to some incompatible with those ideals, but which envisions the building of a world in which humankind can attain its greatest possible achievements.

The Science of Behavior and the Image of Man *Routledge*

Does a proper respect for science require psychologists to view man as an impotent reactor whose responses are completely determined by his physical constitution and the forces impinging upon him? In this wise and well-argued book, Isidor Chein invites his readers to lift their eyes from experimental

research for a time to consider the relationship between science and the image of man. Few psychologists, even the most gifted and dedicated among them, pause to consider the philosophical underpinnings of their work. It is almost as though the humanist secretly lurking in each of them is fearful of the bad news he might finally be forced to accept--that man is essentially an exquisitely complicated robot. This fear is misplaced and harmful. It is largely responsible for the disturbing fact that scientific psychology has produced, in Chein's estimate, so little that is relevant to the humanities, so little, as he puts it, "that has lived up to psychology's promise to itself." What must be more widely understood is that it does not follow that behavioral law is

reducible to physiological law, or that physiological law is reducible to physical law. With an uncompromising commitment to scientific method, Chein shows that, when closely analyzed, there is actually no need to assume an unbridgeable gap between scientific psychology and psychoanalytic, humanistic psychology. This is a lucid and powerful theoretical work of importance for scholars in all fields sharing the belief that the proper study of mankind is man. "The Science of Behavior and the Image of Man is written by the most intellectually stimulating and respected representative of scientific humanistic psychology."--Robert B. Holt, Professor of Psychology, Graduate School of Arts and Sciences, New York University

Walden Two *Hackett Publishing*

This fictional outline of a modern utopia has been a center of controversy ever since its publication in 1948. Set in the United States, it pictures a society in which human problems are solved by a scientific technology of human conduct.

My Bondage and My Freedom *Greenbooks editore*

My Bondage and My Freedom is an autobiographical slave narrative written by Frederick Douglass and published in 1855. It is the second of three autobiographies written by Douglass, and is mainly an expansion of his first, *Narrative of the Life of Frederick Douglass, an American Slave*. The book depicts in greater detail his transition from bondage to liberty. Following this

liberation, Douglass, went on to become a prominent abolitionist, speaker, author, and advocate for women's rights.

publish (pronounce) your name globally. Not only that, you are just strictly on your way to becoming a Top Notch Author (Writer) on earth.

Walden Two *Hackett Publishing*

A reprint of the 1976 Macmillan edition. This fictional outline of a modern utopia has been a center of controversy ever since its publication in 1948. Set in the United States, it pictures a society in which human problems are solved by a scientific technology of human conduct.

Social Physics

How Social Networks Can Make Us Smarter *Penguin*

From one of the world's leading data scientists, a landmark tour of the new

science of idea flow, offering revolutionary insights into the mysteries of collective intelligence and social influence. If the Big Data revolution has a presiding genius, it is MIT's Alex "Sandy" Pentland. Over years of groundbreaking experiments, he has distilled remarkable discoveries significant enough to become the bedrock of a whole new scientific field: social physics. Humans have more in common with bees than we like to admit: We're social creatures first and foremost. Our most important habits of action—and most basic notions of common sense—are wired into us through our coordination in social groups. Social physics is about idea flow, the way human social networks spread ideas and transform those ideas into behaviors. Thanks to the millions of

digital bread crumbs people leave behind via smartphones, GPS devices, and the Internet, the amount of new information we have about human activity is truly profound. Until now, sociologists have depended on limited data sets and surveys that tell us how people say they think and behave, rather than what they actually do. As a result, we've been stuck with the same stale social structures—classes, markets—and a focus on individual actors, data snapshots, and steady states. Pentland shows that, in fact, humans respond much more powerfully to social incentives that involve rewarding others and strengthening the ties that bind than incentives that involve only their own economic self-interest. Pentland and his teams have found that they can study

patterns of information exchange in a social network without any knowledge of the actual content of the information and predict with stunning accuracy how productive and effective that network is, whether it's a business or an entire city. We can maximize a group's collective intelligence to improve performance and use social incentives to create new organizations and guide them through disruptive change in a way that maximizes the good. At every level of interaction, from small groups to large cities, social networks can be tuned to increase exploration and engagement, thus vastly improving idea flow. Social Physics will change the way we think about how we learn and how our social groups work—and can be made to work better, at every level of society. Pentland

leads readers to the edge of the most important revolution in the study of social behavior in a generation, an entirely new way to look at life itself.

Encounter

Receive Christ's Freedom *Joel Comiskey*

Christ's death on the cross offers victory over bitterness, addictions, occult bondage, and debilitating strongholds. Encounter! Receive Christ's Freedom will show you how to apply Christ's victory to your own life. This book is an excellent resource for someone who is bound by sinful habits or who simply needs to live an abundant life. It explains clearly how to receive the fullness of the Holy Spirit and then to walk in the Spirit's power.

It's a great resource to use individually or in a retreat setting. In the back of the book, there's a coach's section to help guide someone else through the contents of this book. Topics include: Repentance and forgiveness; The power of the cross over sin, Satan, and demonic strongholds; How to receive inner healing; Freedom from the fear of death; How to be filled with the Spirit.

The New Freedom

A Call for the Emancipation of the Generous Energies of a People

MADAME BOVARY

Psychological Novel from the prolific French writer, known for *Salammbô*,

Sentimental Education, Bouvard et Pécuchet, Three Tales, November e- artnow

Madame Bovary is the French writer Gustave Flaubert's debut novel. The story focuses on a doctor's wife, Emma Bovary, who has adulterous affairs and lives beyond her means in order to escape the banalities and emptiness of provincial life. Though the basic plot is rather simple, even archetypal, the novel's true art lies in its details and hidden patterns. Flaubert was a notorious perfectionist and claimed always to be searching for *le mot juste* ("the precise word"). Madame Bovary takes place in provincial northern France, near the town of Rouen in Normandy. The story begins and ends with Charles Bovary, a stolid,

kindhearted man without much ability or ambition. Gustave Flaubert (1821-1880) was an influential French writer who was perhaps the leading exponent of literary realism of his country. The celebrated short story writer Maupassant was a protégé of Flaubert.

Beyond freedom and dignity

HUMAN RELATIONS IN ORGANIZATIONS

Applications and Skill Building

On the Origin of Mind

Life's Need to Re-represent Itself *On the origin of Mind*

"On the origin of Mind" is a detailed

description of how the mind works. It explains the dynamics from the neuronal level upwards to the scale of group behaviour, society and culture."-- Publisher's website.

5 Easy Steps to Financial Freedom

Do What You Love and Get Rich Doing It *CEOeBooks*

Book Praise & Reviews ""As a how-to guide, this book contains everything you may need to know to turn your passions into profits."" Bill Bartmann (Billionaire entrepreneur, author, speaker, educator) Read & Give Program A portion of the sale of this book is donated to charity. Book Description Are you unhappy in your job? Are you tired of living paycheck to paycheck and feel like you just don't have enough money, skills, or education to turn your life around? Even if you're not sure you know what it is you like to do, you can change your life and get rich doing it, says entrepreneur Duane Harden in his wise and

entertaining new book, *5 Easy Steps to Financial Freedom: Do What You Love & Get Rich Doing It*. Turning your passion into a profitable business is easy, fast, and fun, says Harden, and you can become rich in just five easy steps. First, start by saying yes to financial freedom. Attitude is everything and as the Law of Attraction states, what you put out into the universe is often what you attract. If you imagine yourself financially secure and happy, you will be. Imagining a new life for yourself is the inspiration you need to go out and do the concrete things to turn your dreams into a reality. Conversationally written and filled with humorous drawings, helpful worksheets, and key tips, *5 Easy Steps to Financial Freedom* also offers a 90-day action plan that includes blueprints for success that

Harden himself used to build his wealth. His own journey included the purchase of numerous real-estate properties, opening a restaurant, starting a music company, and much more. Harden gives you "Life Assignments" that get you thinking and acting differently. Beware of what he calls the "crabs in a pot" mentality, where everyone is trying to pull everyone else down in order to struggle to the top. Instead, he advises, think positively. Stay away from the naysayers and feed your dream. Soon you will realize that your inner life is reflected in your outer life. Harden helps you to discover the real you, what you want, and how much money you want to be there for you now and in the future. He explains how the real difference between rich people and poor people is

fear and an unwillingness to keep an open mind to new opportunities. Rich people are not afraid to take risks, and well-planned risks almost always pay off. Success, he reminds you, is your birthright and it's your job to claim it. Review your credit and your financial house. Clean up the clutter in your life, whether it is the wrong way of thinking or a messy desk. Discover what really makes you tick because when you love what you do it's never really work, and when passion is present the money will miraculously follow. Keep daily positive reminders taped where you can see them, or even have a vision board filled with photographs of where you want to be in life. Write your resignation letter to your boss, but don't send it yet. Just the act of writing it puts you in the right

frame of mind for moving on to something much better. "You are what you think and will become what you dream," says Harden. You'll learn to be a PIG (passive income generator) Farmer, which requires little work but makes you tons of money. 5 Easy Steps to Financial Freedom shows you how go from rags to riches and is understandable and easy to read. This invaluable guide will change your life!

Liberate Yourself!

A Guide to Personal Libeartion *Chris Kent*

The legendary Bruce Lee was one of the most influential martial artists of the 20th Century. But Lee's physical abilities were only the tip of the iceberg. Besides

being one of the world's top martial artists and cinematic superstar, Bruce Lee was also a philosopher and one of the original champions of self-help and human achievement. As Lee evolved his revolutionary, "non-restrictive" approach to martial art training and combat, he simultaneously evolved a unique, non-restrictive philosophy toward life and living. Built around the same fundamental principles he applied to his martial art, the central theme of this philosophy is "personal liberation" -- liberation of body, mind, and spirit through greater self-knowledge. Here, for the first time, are the fundamental tenets of Lee's philosophy of self-actualization and personal liberation taken out of the martial arts arena and put into the arena of daily living. A

ground-breaking guide, LIBERATE YOURSELF doesn't offer you a set, rigid, one-size-fits-all philosophy, but rather a fluid set of operating principles you can use to cultivate a flexible, highly adaptable attitude toward living life to its fullest, develop the skills and confidence required to free yourself from the chains of limitation, whether of physical or psychological origin, and raise your living to the level of an art form. LIBERATE YOURSELF can help you:

- Become more at ease with yourself and the world around you
- Take charge of your attitude and fully realize your innate potential in all aspects of your life
- Adapt to and deal effectively with whatever situation you find yourself in
- Break down barriers and overcome obstacles that keep you from achieving

your goals and enjoying success

Beyond Me

Finding Your Way to Life's Next Level *Harper Collins*

Through poignant, often humorous stories, you will discover the secrets to Melinda's success, finding practical help to overcome your own obstacles to achieve the next level in any area of life. Because she was tone deaf as a child, Doolittle's choir director would plead with her to just move her mouth and not let any sound come out. Undaunted, her love of singing drove her to enter a contest in the 7th grade and, miraculously, she won. Melinda began to realize that success in life was something bigger than her---or, as she

puts it, 'It's beyond me!' She began setting and systematically reaching her goals, such as singing background vocals for her many of her favorite music artists. Then by an amazing turn of events, she burst onto the music scene with her flawless vocal performances on American Idol -- becoming the clear favorite of the show's most difficult judge, Simon Cowell. Beyond Me also provides you a rare behind-the-scenes glimpse of one of America's biggest pop culture phenomenon, American Idol, and how she turned that stress-filled environment into a springboard from which she could soar.

Jenika Sings for Freedom

The Story: Jenika's life changed in an instant. One day she lived in the

countryside with her mother and ten siblings, and the next she moved with her aunt to the city, where she was promised an education but was instead forced into a life of cooking, cleaning, and despair. The only thing that kept her going was her singing. Read this inspiring tale of a girl who overcame the odds, written by girls who understand her struggle. *The Story Behind the Story: Written by a team of young women served by the Restavek Freedom Foundation, Jenika Sings For Freedom* aims to raise awareness about the inhumanity and injustice of child slavery in Haiti. At the same time, the books give these young women the opportunity to shape the stories of their own lives with power and possibility and hope. This project was a collaboration between

Restavek Freedom Foundation and Shout Mouse Press. Restavek Freedom Foundation is a nonprofit organization based in Port-au-Prince, Haiti and Cincinnati, Ohio with a mission to end child slavery in Haiti in our lifetime. Since its inception in 2007, Restavek Freedom has worked on behalf of the 300,000 children living as restavek in Haiti. We advocate for children by providing educational opportunities for those living in restavek, influencing communities to help change cultural norms regarding restavek, and mobilizing community leaders to stand up for freedom. To learn more, visit www.RestavekFreedom.org. Shout Mouse Press is a nonprofit writing program and publishing house for unheard voices. We were founded in

Washington, DC in 2014. Shout Mouse partners with nonprofit organizations serving communities in need to design book projects that help further their mission. Our authors have produced original children's books, memoir collections and novels-in-stories. To learn more and to see a full catalog of Shout Mouse titles, visit www.ShoutMousePress.org.

Truth Beyond the Matrix

Understanding the Earthly Programs of Limitations and Controls

Questioning some commonly accepted metaphysical beliefs and explaining how they are programs-beliefs of control designed to keep a person within this earthly matrix. How to escape these

programs and this system by changing your beliefs.

Beyond the Fabric of Existence *Createspace Independent Publishing Platform*

There have been several scientific books and lecture papers written on the subject of our holographic universe but none have gone far enough as to expand peoples thinking and explain the true nature of reality. Music is a natural consequence of the pure mathematics within nature. Music is a true universal language as Music is vibrational physics and mathematics that is a language understood by the human mind. The silent music of the universe or Aether Physics from the RG Veda is the only ONE science that explains the true

perfection of creation and our connection to the holographic universe. Quantum Metrics are from the RG Veda: Quantum Physicist already knowing the answer as they have taken it the RG Veda then creates complicated elongated mathematical equations to derive at their Metric, which they name after themselves. I explain how to calculate all 90 metrics contained in RG Veda using a dividend and divisor and how to apply this system of harmony to devices you can manufacture such as electric motors. I would not dare name any of the yet “undiscovered” Metrics after myself, as no man should claim Gods work as his own. Although I have examples of the RG Vedas and other sources mentioning the Vedic Meter no one to my knowledge as given a full

interpretation of them and what they relate to as I have done. I have deciphered and attempted to simplify one of the most ancient of mysteries and show how to apply it. My intention in releasing this information is to enlighten humanity as to assist in the rebuilding of the foundations of science for the advancement of all. We all must aspire to a brighter future and not allow this information to remain the industrial secret of occult societies. These societies have handicapped humanity for long enough and it is time to enter into the light from the darkness and advance our civilization. The zenith is the point in the sky or celestial sphere directly above an observer. God, sees all life in all dimensions and knows all of us, we should all strive for Krsna Consciousness

and free ourselves from the illusion of our material world. When there is harmony between the mind, heart and resolution then nothing is impossible.

Contagious Acts of Freedom

A Collection of Poems and Memoirs

Contagious Acts of Freedom is a short collection of poems and memoirs celebrating the bold act of exercising freedom despite the constraints and demands of life. Even the tiniest acts of expression can be daring demonstrations of self-determination amidst the confining forces of our world.

Freedom Bargains

Sustaining Our Freedom in Christ

Book Publishing Academy

In our Christian walk in this world, we are always presented with choices and subtle offers that can appear appealing. However, we often ignore the small print, either deliberately, or through ignorance. Interestingly, the Israelites, faced similar offers, as they 'negotiated' with Pharaoh for their freedom from slavery. Freedom Bargains explores five subtle offers usually presented to us as alternatives to God's ideal of real and total freedom. It provides lessons from the wisdom of Moses and his attention to detail, in avoiding these subtle traps (schemes), intended to keep believers in perpetual bondage and also provides vital biblical keys for walking in complete freedom. The book details the need to be alert to our life's purpose as spelt out

by God, in being able to navigate past all the traps that are intended to trip us into living life below the level God intends for us. It encourages and challenges believers to re-examine God's original intention for setting us free. It encourages us to be alert to and remain steadfast in the liberty with which we have been set free and to let this be manifest in all areas of our lives. The book is written in a contemporary, conversational style with real life (personal, family, social and political) examples which speaks to current popular and social culture and makes it easily accessible to those new to engaging with the Bible as well as more mature believers. This notwithstanding, the book's message is strongly biblical and culturally informed. The chapters

include contemporary real-life stories and quotations from a wide spectrum of well-known Christian and political leaders, which will make it easy for most readers to identify with. It is my desire for you to believe again that you can walk in complete freedom in all aspects of your life and to go ahead and live it. Above all, I desire that all believers will rise up and be outward looking to impart their freedom found in Christ, to other people in their various fields of endeavor.

Beneath Freedom's Wing

A Novel Based on the True Story of Bridgton, Maine's Role in the Underground Railroad and the Abolition Movement.

When Joseph and Phebe Fessenden came to the peaceful village of South Bridgton, Maine to serve the newly founded Congregational church in 1829, they soon found themselves embroiled in controversy over the abolition of slavery and the evils of "demon rum." Tempers ran high and Parson Joe often found himself running counter to public opinion. Mobs threatened him with tar and feathers, cannonballs, and kidnapping. Still, he stood tall and fought tirelessly for the rights of all those who lived in chains beneath freedom's wing.

Leaving Your Leadership Legacy

Creating a Timeless and Enduring Culture of Clarity, Connectivity, and Consistency *Createspace Independent*

Publishing Platform

The authors of this book explain the differences between managing by the 3-Ps (Proximity, Position, and Persuasion) and the 3-Cs (Clarity, Consistency, and Connectivity). Leaders who employ the 3-Ps manage with a focus on the individual. Leaders who use the 3-Cs, however, manage by weaving personal leadership techniques with a process of managing the business or organization that has proven extremely effective during the decade since it was introduced. It's a way to lead a company or organization that leaves a legacy of sustained growth and success for those who come after the leader to latch onto and continue. The book is written as a business novel. What is learned on the protagonist's journey is expanded upon

in a lesson at the conclusion of each chapter. Readers are then invited to assess their own legacy potential by completing a self-assessment. The management process this book contains is now being employed successfully not only by small and medium size businesses, but also by Fortune 500 companies, successful municipalities, and the United States Army.

Beyond Freedom and Dignity, by B.F. Skinner, and Its Probable Effect Upon the Law and Society

In Defense of Freedom

Why Free Market and Capitalism Work

Written by a 15 YEARS OLD..."When I

met Alvaro Martin I was amazed at how such a young talent could have the talent, commitment and the clarity of ideas that he displays in this excellent book. It is rare to find someone that, as such a young age, has such a profound understanding of important economic matters, and his precise argumentation in the much-needed task of debunking the interventionist agenda. Alvaro Martin, with his articles and this book, has created a body of work that is impressive for any expert, let alone for someone who is still in college. But he must persevere. The future is going to be very difficult. It is not "cool" or "sexy" to defend freedom. And he, like many others, will be criticized as anti-social. So, my dear Alvaro, the battle has just begun. Do not forget it."- Daniel

Lacalle. Globalization and market freedom have been proved to be the best weapons in war against poverty and in search of economic growth. Globalization has not only helped with economic growth in developed countries, but much wider it has helped to promote employment and social development in emerging economies, breaking up the usual leftist argument against multinationals and market freedom. To me, Globalization has been the clearest example of market freedom and the development of libertarian ideas in the last century. Throughout this book, we will try to draw a detailed analysis of the different points and sectors where implementing market freedom policies is essential for growth and individual liberty, starting with a clear example of

the route all nations should follow towards freedom, and which has demonstrated why capitalism works. The miracle of Globalization. In Defense of Freedom.

The Book on Internal STRESS Release

Get Powerful Health and Nutritional Secrets

With the combination of Coach Melvin's Dynamic Application of Internal Awareness(tm) (DAIA) Method, Dr. Totton's 100-day method to condition your body's neural pathways to establish a new habit which then becomes automatic, and with Dr. Painter's method of committed practice of Li Family Yixingong (Standing Meditation) to

produce profound results at the neurological level, novices to advanced practitioners gain the ability to access your inner core, tapping into an area that can positively affect your overall well-being, prevent stress from taking hold, and give you perpetual mental-physical rejuvenation.

Dreaming Dangerously

Young Adult Science Fiction Thriller

CreateSpace

Praise for DREAMING DANGEROUSLY 5 out of 5 star reviews: Once I read the first page, I couldn't put it down until I finished it. Dreaming Dangerously is a book I would recommend to anyone to read... the Author is skilled. - Dominique, Goodreads.com It really just

blew me away how much I loved reading this book. Chani, Goodreads.com I loved Dreaming Dangerously. Mind reading is one of those things not all authors can write about. Dreaming Dangerously is a book I would highly recommend. - Kris Spor, Amazon customer Overview of DREAMING DANGEROUSLY: A teen mind-reader tries to keep her secret from the gossips at her high school. A popular boy who finds out. Her nightmares start to come true. She must learn to trust him before it's too late to stop the tragedy that awaits. Other works by Kathleen Suzette

Harsch: DARKNESS DESCENDS, book 2 of the Children of the Psi series is out now!

Deposit of Faith

How Can We Meet God Today?

In its two-thousand-year history, the Catholic Church remains an unchanging yet developing entity. Since the church's infancy, Catholic theologians have referenced the "deposit of faith," which in early years referred to the written or orally revealed doctrines that formed the backbone of church teaching. Through the centuries, the definition came to be understood as the word of God, delivered through Jesus Christ and passed on to his apostles. Still, the deposit included both oral and written traditions and provided moral direction.

The Second Vatican Council brought about many changes in the church, and once again, bishops and theologians addressed the deposit of faith. This invaluable concept came to be seen, not as mere dogma, but the expression of faith embodied in the words and deeds of Christ. The deposit is relevant to all elements of Catholic life: prayer, sacraments, and moral living. While the deposit has always addressed divine revelation, the post-Vatican II definition directs the faithful to think holistically. Hubert M. Sanders Jr.'s *Deposit of Faith* is intricate Catholic theology for the lay reader. It encourages Catholics to reach beyond dogma and written instructions to embrace the fullness of the Christian experience in all aspects of life.

The Passover Story

A Festival of Freedom and Liberty

CreateSpace

On Passover, Jews everywhere celebrate the redemption of the Israelites from Egyptian slavery. Moses, the leader of the Israelites, was empowered and commanded by God to demand that Pharaoh, the Egyptian ruler, let the Jewish people go. Pharaoh refused at first but then... "The Passover Story: A Festival of Freedom and Liberty" relates the unfolding of the events in ancient Egypt in lovely rhymes accompanied by gorgeous illustrations.

An Index to B.F. Skinner's Beyond Freedom and Dignity

Golden World *Createspace Independent Publishing Platform*

Conrad is a huge and fluffy dog with brown fur. Harry is a tiny, hairless lizard with rubbery skin. They are best friends. On a cloudy day like today, Conrad and Harry like to lie down on the ground to watch the clouds. So turn the page and find out what happens.

Unopened Books

Multiplying the 2% *Createspace Independent Publishing Platform*

The unfathomable rate of Black males in education should result in a national call to action. Across the country Black males represent only 2% of the teaching workforce. By the year 2024, minority students will be the majority, yet our

current education workforce does not reflect this growing trend in what has been called "The Browning of America." Why is it acceptable that a student can matriculate from Kindergarten through twelfth grade and not have one Black male as his or her teacher? Why has it been a challenge to recruit and in many instances retain Black males in the classroom? Unopened Books explains what is referenced in the book as the Five Black Male Deterrents in Education. Through the personal narrative of Jermaine D. Gassaway, a native Washingtonian, educator, and school leader; coupled with practical solutions, Unopened Books provides insight to multiply the 2%. It is intended to not only be a provocative conversation starter but an actionable approach to

increase the number of Black men in the classroom.

Beach Side Beds and Sandy Paths *CreateSpace*

Ryan Parker has loved his best friend for the past ten years, and after a weeklong ski trip, he finally got bumped out of the friend zone. Things seem perfect, until Ryan finds out his mom has a second family, and his half-brother, Brett shows up on his porch. When Ryan gets invited to spend his spring break with Lexie at a beach house, his grandparents suggest Brett go with to provide them with more bonding time. Lexie Boggs fell in love with her best friend. After the best four months of her life, she's ready to spice things up in her relationship. The beach side bed seems like the perfect place to

seduce Ryan, except he seems off lately. His temper boils at the surface, and having Brett around isn't helping. When they all get crammed in the beach house, Lexie tries to mend the growing rift between the two brothers, while Ryan tries to forget his brother even exists.

Social Mastery Made Simple
Createspace Independent Publishing Platform

"Social Mastery Made Simple is a comprehensive social skills program developed for children and adolescents with learning disabilities. Students will learn every aspect of social interaction, from the simple to the complex"--Back

cover.

Destitution *Martin Sisters Publishing*
 Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.
