Negotiating Social Contexts: Identities of Biracial College Women Andra Basu. This book examines the identification choices of a group of biracial college women and explores how these identifications relate to their choices and constructions of

different social contexts. It is a qualitative study that draws on recent psychological literature ...

Negotiating Social Contexts: Identities of Biracial ...

This study provides several unique insights on the process by which people negotiate a social identity when the context for enacting that identity has substantially changed. By focusing on an identity of considerable importance, that is, ethnic identity, and by tracking the students over the course of more than 6 months, we gained a measure of ecological validity that studies of social identity rarely attain.
