Airbus A320 Instructor Support Manual by Airbus Industrie

One other feature is that all aircraft in the A320 family including even the larger A330 and A340 all share the same cockpit layout which makes it easier for pilots to transition from one aircraft to another, thus saving time and money for airline companies. Today, the A320 has become Airbus Industries best selling aircraft, with well over 8,000

Operations Manual

Airbus' open approach to collaboration and partnership has been part of its philosophy since the company was created over 40 years ago. In designing new aircraft, Airbus always seeks the input of customers and those who handle the jetliners on a day-to-day basis. One of the best illustrations of this approach was the global working group established when Airbus designed the A380, which ...
