The Rhodesian Ridgeback is a dog breed bred in the Southern Africa region. Its forebears can be traced to the ridged hunting dogs of the Khoikhoi, which were crossed with European dogs by the early colonists of the Cape Colony of southern Africa. The original breed standard was drafted by F. R. Barnes, in Bulawayo, Southern Rhodesia, in 1922, who named the breed the Rhodesian Ridgeback. The standard was approved by the South African Kennel Union in 1927.
