Code from Audi and VW engines . This table of the assigned engine code is for information purposes only.

Code from Audi and VW engines

Engines can be found new or, more likely, in a part used condition. Some Audi engines will have low miles while some will have a specific range listed, so engines with around 90K+ miles can still be desirable. Some engines come with extras such as the turbo, diesel pump or alternator included, whereas others have these features missing.
