Book Review: Drawing Type: An Introduction to Illustrating ...

Overview. Drawing can be loosely defined as mark-making on a flat surface. Usually, the mark-making device is a pencil and the flat surface is a sheet of paper, but many other combinations of tools and surfaces are possible. As such, sometimes it is hard to categorize a work as drawing as opposed to some other kind of art, such as painting, printmaking, digital media, or sculpture, which often incorporate mark making. when you draw for your drawing to look like someone else's drawing, then ...

Drawing Type : an Introduction to Illustrating Letterforms ...

This was the best part of the book. This is not a good instruction book on drawing type, so like another reviewer, the title of this book is really misleading. The end is kind of sad in that the author spends about a dozen pages giving an intro to type classifications, type anatomy, tools (duh) and a couple of (too brief) exercises.
