Children and young people should be encouraged to assist with their own mobility whenever possible and handling aids must be used whenever they can help to reduce risk. All moving and handling of a child or young person should be undertaken in a caring, sensitive manner, respecting their dignity at all times. Objectives

8.7 Moving and Handling of Children and Young People

Rough handling of babies can cause serious injuries. Handle with care: a guide to keeping your baby safe explains the dangers and gives advice on safe ways of holding and caring for a baby. This simple guide explains why parents should never shake their baby and suggests ways they can soothe them when they cry. There are tips on how to cope when the crying doesn't stop or seems too much to handle.

Handle with care | NSPCC Learning

Take Advantage of Your Child's Verbal Skills. Parents of school-age children have a distinct advantage over parents of toddlers when it comes to dealing with behavior such as defiance: They can talk it out. Calmly discuss with your child what they want, and then try to work out a solution that works for both of you.

7 Effective Ways to Handle Defiant Children

You can let your child know when you're pleased by giving them attention, a hug or a smile. Offer rewards. You can help your child by rewarding them for good behaviour. For example, praise them or give them their favourite food for tea. If your child behaves well, tell them how pleased you are. Be specific.

Dealing with child behaviour problems - NHS

The first step in dealing with inappropriate behavior is to show patience. This often means taking a cooling period before saying or doing something one might regret. This also might involve having the child or student sit in a time out, or remain alone until their teacher can deal with the inappropriate behavior.

9 Strategies to Handle Difficult Behaviors in Children

Tackle anger together. Team up with your child to help them deal with their anger. This way, you let your child know that the anger is the problem, not them. With younger children, this can be fun and creative. Give anger a name and try drawing it - for example, anger can be a volcano that eventually explodes.

Dealing with child anger - NHS

The information in the fourth edition of Finnie’s Handling the Young Child with Cerebral Palsy at Home has been extensively rewritten and much new information has been added. Throughout the book the emphasis has been changed from infant to child and the way problems and interventions change as the child grows.

Finnie's Handling the Young Child with Cerebral Palsy at ...

When a loved one dies, children feel and show their grief in different ways. How kids cope with the loss depends on things like their age, how close they felt to the person who died, and the support they receive. Here are some things parents can do to help a child who has lost a loved one: When talking about death, use simple, clear words.

Helping Your Child Deal With Death (for Parents) - Nemours ...

Child Protection protects children and young people from harm caused by abuse or neglect within the family. Community-based family support services may be able to help families having difficulties. A referral to Child FIRST or The Orange Door may be appropriate.
