Management Cengage Learning

MANAGEMENT, 12E includes several innovative pedagogical features to help students understand their management capabilities and learn what it's like to manage in an organization today. Each of the 19 chapters begins with an opening questionnaire that engages the reader's interest, directly connects to the topic of the chapter, and enables students to see how they respond to situations and challenges that real-life managers typically face. A New Manager Self-Test in each chapter provides students with further insight into how they would function in the real world of management. The Remember This bullet-point summaries at the end of each major chapter section give students a snapshot of the key points and concepts covered in that section. The end-of-chapter questions have been carefully revised to encourage critical thinking and application of chapter concepts, and Small Group Breakout exercises give students the opportunity to apply concepts while building teamwork skills. Ethical dilemmas, all-new end-of-chapter cases, and a fully updated set of On the Job video cases help students sharpen their diagnostic skills for management problem solving. The chapter sequence in MANAGEMENT is organized around the management functions of planning, organizing, leading, and controlling. These four functions effectively encompass management research and the characteristics of the manager's job. Please contact Routledge's sales team for advance access to the materials. "

Foodservice Management: Pearson New International Edition

Principles and Practices *Pearson Higher Ed*
For courses in foodservice management or administration; hospitality management; quantity food production and/or purchasing; foodservice accounting/financial management; menu planning; foodservice marketing/merchandising, or related topics. This is today's most comprehensive, current, and practical overview of foodservice operations and the business principles needed to manage them successfully. Authored by leading industry experts and experienced instructors, it covers all core topics, including food safety, organizational design, human resources, performance improvement, finance, equipment, design, layout, and marketing. This 12th Edition is retitled to better reflect its college level. The content is still concentrated on basic principles, but increasingly reflects the impact of current social, economic, technological, and political factors. For example, it now focuses on sustainability throughout, and offers greater emphasis on culinary issues. The textbook also contains a new running case study based on University of Wisconsin, Madison's University Dining Services.

Management

Leading & Collaborating in a Competitive World *Irwin/McGraw-Hill*

Comprehensive Classroom Management

Creating Communities of Support and Solving Problems *Pearson College Division*
ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Comprehensive Classroom Management is a truly comprehensive, research-based, and practical source for implementing effective classroom management methods in K-12 classrooms. Not only for class use, this best-selling text is an excellent resource that all educators can consult throughout their careers. It focuses on creating positive learning environments for students and provides extensive, practical materials on both problem solving and building individual behavior change plans for students with behavioral problems. The authors include specific management strategies based on current research and classroom experience, and they use real-life examples and detailed case studies to help the reader understand and apply the principles of classroom management in their own classroom situations.

Essentials of Management Information Systems *Prentice Hall*

For introductory courses in Information Systems or Management Information Systems. Connect Essential MIS Concepts to Everyday Life Essentials of MIS takes an in-depth look at how today's businesses use information technologies and systems to achieve corporate objectives. Current real-world business cases illustrate how companies have identified and ultimately solved key business challenges using information systems and technologies. Through the use of Essentials of MIS, readers will be able to participate in, and even lead, management discussions of information systems for a firm. Part of a complete learning package that includes the core text and extensive supplemental online materials, the core book consists of twelve chapters with hands-on projects (including video case studies and instructional video packages) covering the most essential topics in MIS. The Twelfth Edition continues to be authoritative, but is now more customizable, flexible, and geared to meeting the needs of different instructors, with many of its learning tools now available in digital form. Also Available with MyMISLabTM This title is also available with MyMISLab, an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. NOTE: You are purchasing a standalone product; MyMISLab does not come packaged with this content. If you would like to purchase both the physical text and MyMISLab, search for: 0134473701 / 9780134473703 Essentials of MIS MyMISLab with Pearson eText -- Access Card Package Package consists of: 0134238249 / 9780134238241 Essentials of MIS 0134325184 / 9780134325187 MyMISLab with Pearson eText -- Access Card -- for Essentials of MIS
