A great brand can be anything. 3. A great brand knows itself. 4. A great brand invents or reinvents an entire category. ...

What Great Brands Do - Fast Company

Great brands build great culture. A brand's first expression comes from a company culture, which should be aligned with the brand's values. When your culture creates an environment where your people feel proud of the product and service they stand behind and understand the rationale behind the brand values, they will feel more empowered to deliver the brand promise.
