The Psychological Autopsy: A Roadmap for Uncovering the ...

The psychological autopsy began as a useful method to assist in determining a person’s cause of death, specifically in cases where suicide was a possibility. Rather than simply looking at the physical elements that contributed to a person’s death, psychiatrists were invited to consider the psycho-social factors as well.

Psychological Autopsies and Testamentary Capacity - Hull ...

Psychological autopsy • Police will conduct a psychological autopsy of the 11 people found dead under mysterious circumstances at their home on July 1 to solve the puzzle. • A psychological autopsy attempts to study a deceased person's mental state by analysing medical records, interviewing friends and family and conducting research into their state of mind prior to death.
