Game design is everywhere. Not only is everyone learning game design, but everyone is doing it. Today's schoolchildren are using construction games like Minecraft or SimCity to learn history and environmental awareness. Their love of games is leading them to learn critical skills like systems thinking and procedurality.

About — Game Design Workshop

Game design is something of a black art. The trick to doing it well is retaining the black magic but training oneself to control it. There are a lot of books on

game design out there, but "Game Design Workshop" is among the very few that develops a wizard rather than a drone.
