Management and Cost Accounting: Written by Charles T. Horngren, 2004 Edition, (3rd Edition) Publisher: Financial Times/ Prentice Hall [Paperback] Charles T.

Editions of Management and Cost Accounting by Colin Drury

The core idea of the book is to marry cost management (management accounting) with the insights that have been developed in Corporate Strategy over the past

20 years. What we get is a richer and more informative use of management accounting, but one that is more difficult to apply because it relies less on simple formulas and rules.

management accounting systems seem to work reasonably well most of the time. Hence, it is difficult for a company to gain a competitive advantage by installing a better management accounting system than its competitors. However, this observation does not imply that management accounting systems are not important. On the contrary, as the
