VOCE DI PRORA *Xlibris Corporation*

Bruno Temperoni was born in Rome on March 21, 1918 and died in Bergamo on August 19, 1991. He interrupted his scientific studies in 1938 to serve the military during the Second World War. After six years at the service of the Italian Royal Navy, and having finished a tough, involving military parenthesis, he joined his father in the craftsmanship of furniture. Later with his brother, he continued this activity, developing and

expanding the company, until the furniture factory reached a successful artistic commercial level. As an autodidact, having a striking sensitivity, he dedicated himself to what he always loved: prose, poetry, photography, and plastic arts. But it was in painting, his true passion, that he expressed an unquestionable artistic personality receiving recognition from art critics and various prizes: "Mostra d'Arte Lazio 72, Il Premio Bianco-Nero", " III Premio Mostra d'Arte, Incontro col Teatro Romano," " Mostra Carnevale 73, Premio Personalità".

Berlino, autunno 1951. La Germania nazista, dopo aver vinto la guerra, è ormai stata accettata da tutti, sia in patria sia all'estero, come un grande stato europeo. Alla guida del paese si trova Reinhard Heydrich, uno dei più feroci dirigenti del partito durante il Terzo Reich. Adolf Hitler, mantenendo il titolo di Führer, vive un'esistenza anonima e appartata e tutto, nella nazione tedesca, appare ormai normalizzato. Qualcuno, però, ancora non si è piegato alla nuova realtà uscita dalla guerra. Qualcuno sogna l'avvento di un mondo privo di nazisti, senza rinunciare ad impegnarsi in prima persona a raggiungere questo obiettivo.

Tra incontri fortuiti, amicizia, amore e un passato che non va dimenticato - ma anzi ricordato - Marius e i suoi compagni si ritroveranno a vivere un'avventura dai risvolti imprevedibili e dal finale inaspettato. Recueil Des Cours, Collected Courses, 1982 *Martinus Nijhoff Publishers*

The Academy is a prestigious international institution for the study and teaching of Public and Private International Law and related subjects.

The work of the Hague Academy receives the support and recognition of the UN. Its purpose is to encourage a thorough and impartial examination of the problems arising from international relations in the field of law. The courses deal with the theoretical and practical aspects of the subject, including legislation and case law. All courses at the Academy are, in principle, published in the language in which they were delivered in the "Collected Courses of the Hague Academy of International Law".

A Sociable Moment

Opera and Festive Culture in Baroque Siena *Oxford University Press*

After their military defeat by the Florentines in the mid-sixteenth century, the citizens of Siena turned from politics to celebratory, social occasions to express their civic identity and show their capacity for collective action. In the first major work of its kind, Colleen Reardon opens a window on the ways in which the Sienese absorbed the new genre of opera into their own festive apparatus and challenges the prevailing view that operatic productions in the city were merely an extension of Medici power to the provinces. It was, rather,

members of the expatriate Chigi family who exploited the festive impulse of their countrymen, coordinating operatic performances with their triumphant visits home by activating ties of friendship and family as well as connections to Sienese institutions, most notably the Assicurate, possibly the first all-female academy in Italy. If the Chigi proved successful at inserting opera into larger patterns of sociability that conveyed the very essence of what it meant to be Sienese (*senesita*), their successor, the flamboyant playwright and librettist Girolamo Gigli, struggled in his attempts to transform operatic performances into professional enterprises. Fluidly written and richly embellished with anecdotes from historical chronicles, *A Sociable Moment*

offers insight into the Sienese experience with opera during the genre's rapid expansion throughout the Italian peninsula during the late seventeenth and early eighteenth centuries. "

Atti del Reale Istituto veneto di scienze, lettere ed arti

The Syndicalist Tradition and Italian Fascism *Manchester University Press*

Holy Concord Within Sacred Walls

Nuns and Music in Siena, 1575-1700 *Oxford University Press on Demand*

This volume examines musical culture both inside and outside 17th-century Sienese convents. Reardon draws upon archival sources to reveal an

ecclesiastical culture that celebrated music internally and shared music freely with the community outside convent walls.

Women Telling Nations *Rodopi*

Women Telling Nations highlights how, from the 16th to the 19th centuries, European women, as readers and

writers, contributed to the construction of national identities. The book, which presents twenty countries, is divided into four parts. First, we examine how women belonged to nations: they represented territories and political or religious communities in their own style. Second, we deal with the ways in which women wrote the nation: the network of relationships in which they were involved that were not necessarily national or territorial. The legitimation that women writers succeeded in finding is emphasised in the third section, while in the fourth we analyse how and why women were open to the outside world, beyond the country's borders. Women Telling Nations underlines the quantitative importance of the circulation of these women's writings

and demonstrates the extent as well as the impact of the international cross-fertilisation of nations, especially by and for women: focusing on routes rather than roots.
